100-Word Product Description	The CORSAIR K60 PRO Mechanical Gaming Keyboard is built for both style and substance with a durable brushed aluminum frame and CHERRY VIOLA mechanical keyswitches. Light up your desktop with vivid per-key red LED backlighting enhanced by amplified underglow keycaps, and gain an edge in-game with key remaps and custom macros through powerful CORSAIR iCUE software. With full N-key rollover and 100% anti-ghosting to ensure your keypresses always register, along with Windows Key Lock mode to ensure your game is never interrupted, the K60 PRO lets you be the key player.
50-Word Product Description	The CORSAIR K60 PRO Mechanical Gaming Keyboard is built for both style and substance with a durable brushed aluminum frame and CHERRY VIOLA mechanical keyswitches. Light up your desktop with vivid per-key red LED backlighting, and gain an edge in-game with key remaps and custom macros through powerful CORSAIR iCUE software.
25-Word Product Description	The CORSAIR K60 PRO Mechanical Gaming Keyboard is built with a durable brushed aluminum frame and CHERRY VIOLA mechanical keyswitches that let your vivid per-key red LED backlighting shine through.
Product Features (Style 1)	- A sturdy brushed aluminum frame with black anodization delivers a stylish, modern look and years of battle-tested durability. 100% German-made CHERRY VIOLA mechanical keyswitches offer smooth linear travel with fast and precise inputs. - Illuminate your desktop with vivid per-key red LED backlighting, fully customizable with a multitude of effects, enhanced by amplified underglow keycaps with a standard bottom row. - Powerful CORSAIR iCUE software enables lighting control, key remaps, custom macro programming, and more. - Full N-key rollover (NKRO) with 100% anti-ghosting ensures that every keypress registers, no matter how fast you play. - Activate Windows Key Lock mode to guarantee that you'll never accidentally interrupt your game at critical moments. - Convenient keyboard shortcuts let you control media playback, volume, and onboard lighting on-the-fly.
Product Features (Style 2)	**Anodized Aluminum Frame:** Made from brushed aluminum with black anodization for a stylish, modern look and years of battle-tested durability. **100% CHERRY VIOLA Mechanical Keyswitches:** Linear travel with fast and precise inputs. **Per-Key Red LED Backlighting:** Illuminate your desktop with vivid backlighting enhanced by amplified underglow keycaps with a standard bottom row.

- **Powerful CORSAIR iCUE Software:** Enables lighting control, key remaps, custom macro programming, and more.
- **Full N-Key Rollover (NKRO) with 100% Anti-Ghosting:** Ensures that every keypress registers, no matter how fast you play.
- **Windows Key Lock Mode:** Guarantees you'll never accidentally interrupt your game at critical moments.
- **Convenient Keyboard Shortcuts:** Control media playback, volume, and onboard lighting on-the-fly.
