No.1

10.1-inch Large Display  
with Widevine L1 Support

Larger Screen, Broader Vision

10.1-inch Immersive Display

Tab 60 Pro Kids features a spacious 10.1-inch HD+ display, perfect for streaming videos, playing games, or attending online classes. With vibrant colors and sharp details, it brings every activity to life, immersing your child in unmatched clarity.

Stream at the Best

Widevine L1 Support

Tab 60 Pro Kids offers a stunning 1080P display with Widevine L1 certification, perfect for watching cartoons, movies, or educational videos. Your child will love the vibrant details and clear visuals, making every viewing experience enjoyable.

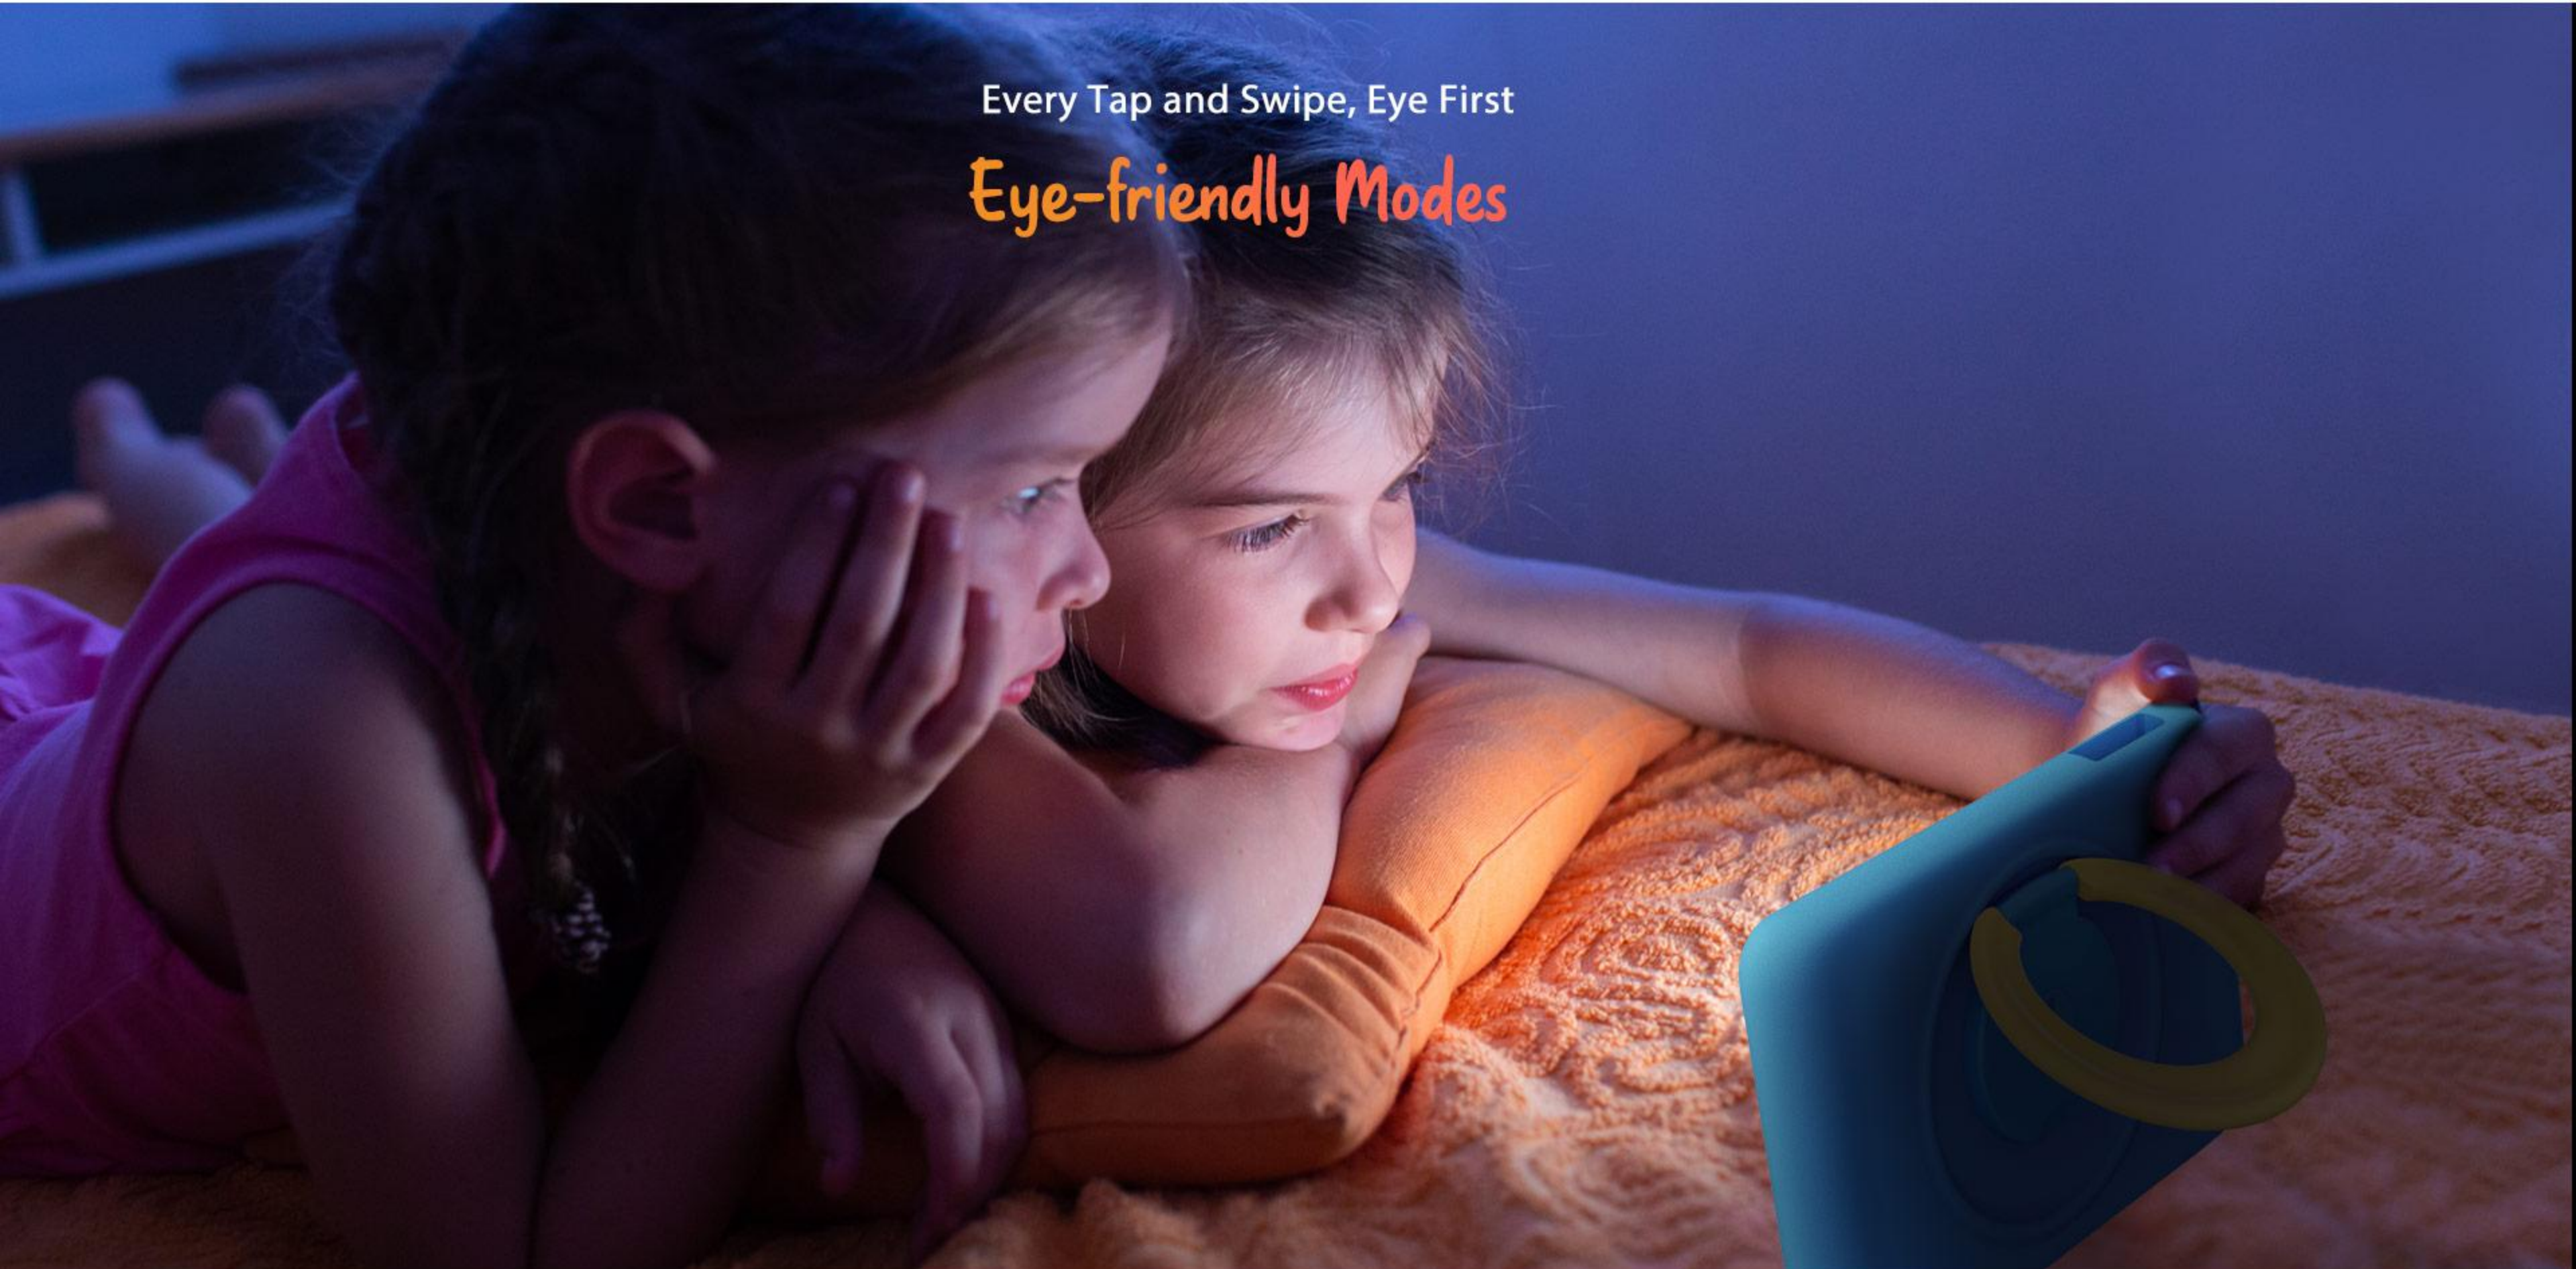

\*Support 1080p viewing experience on streaming media:

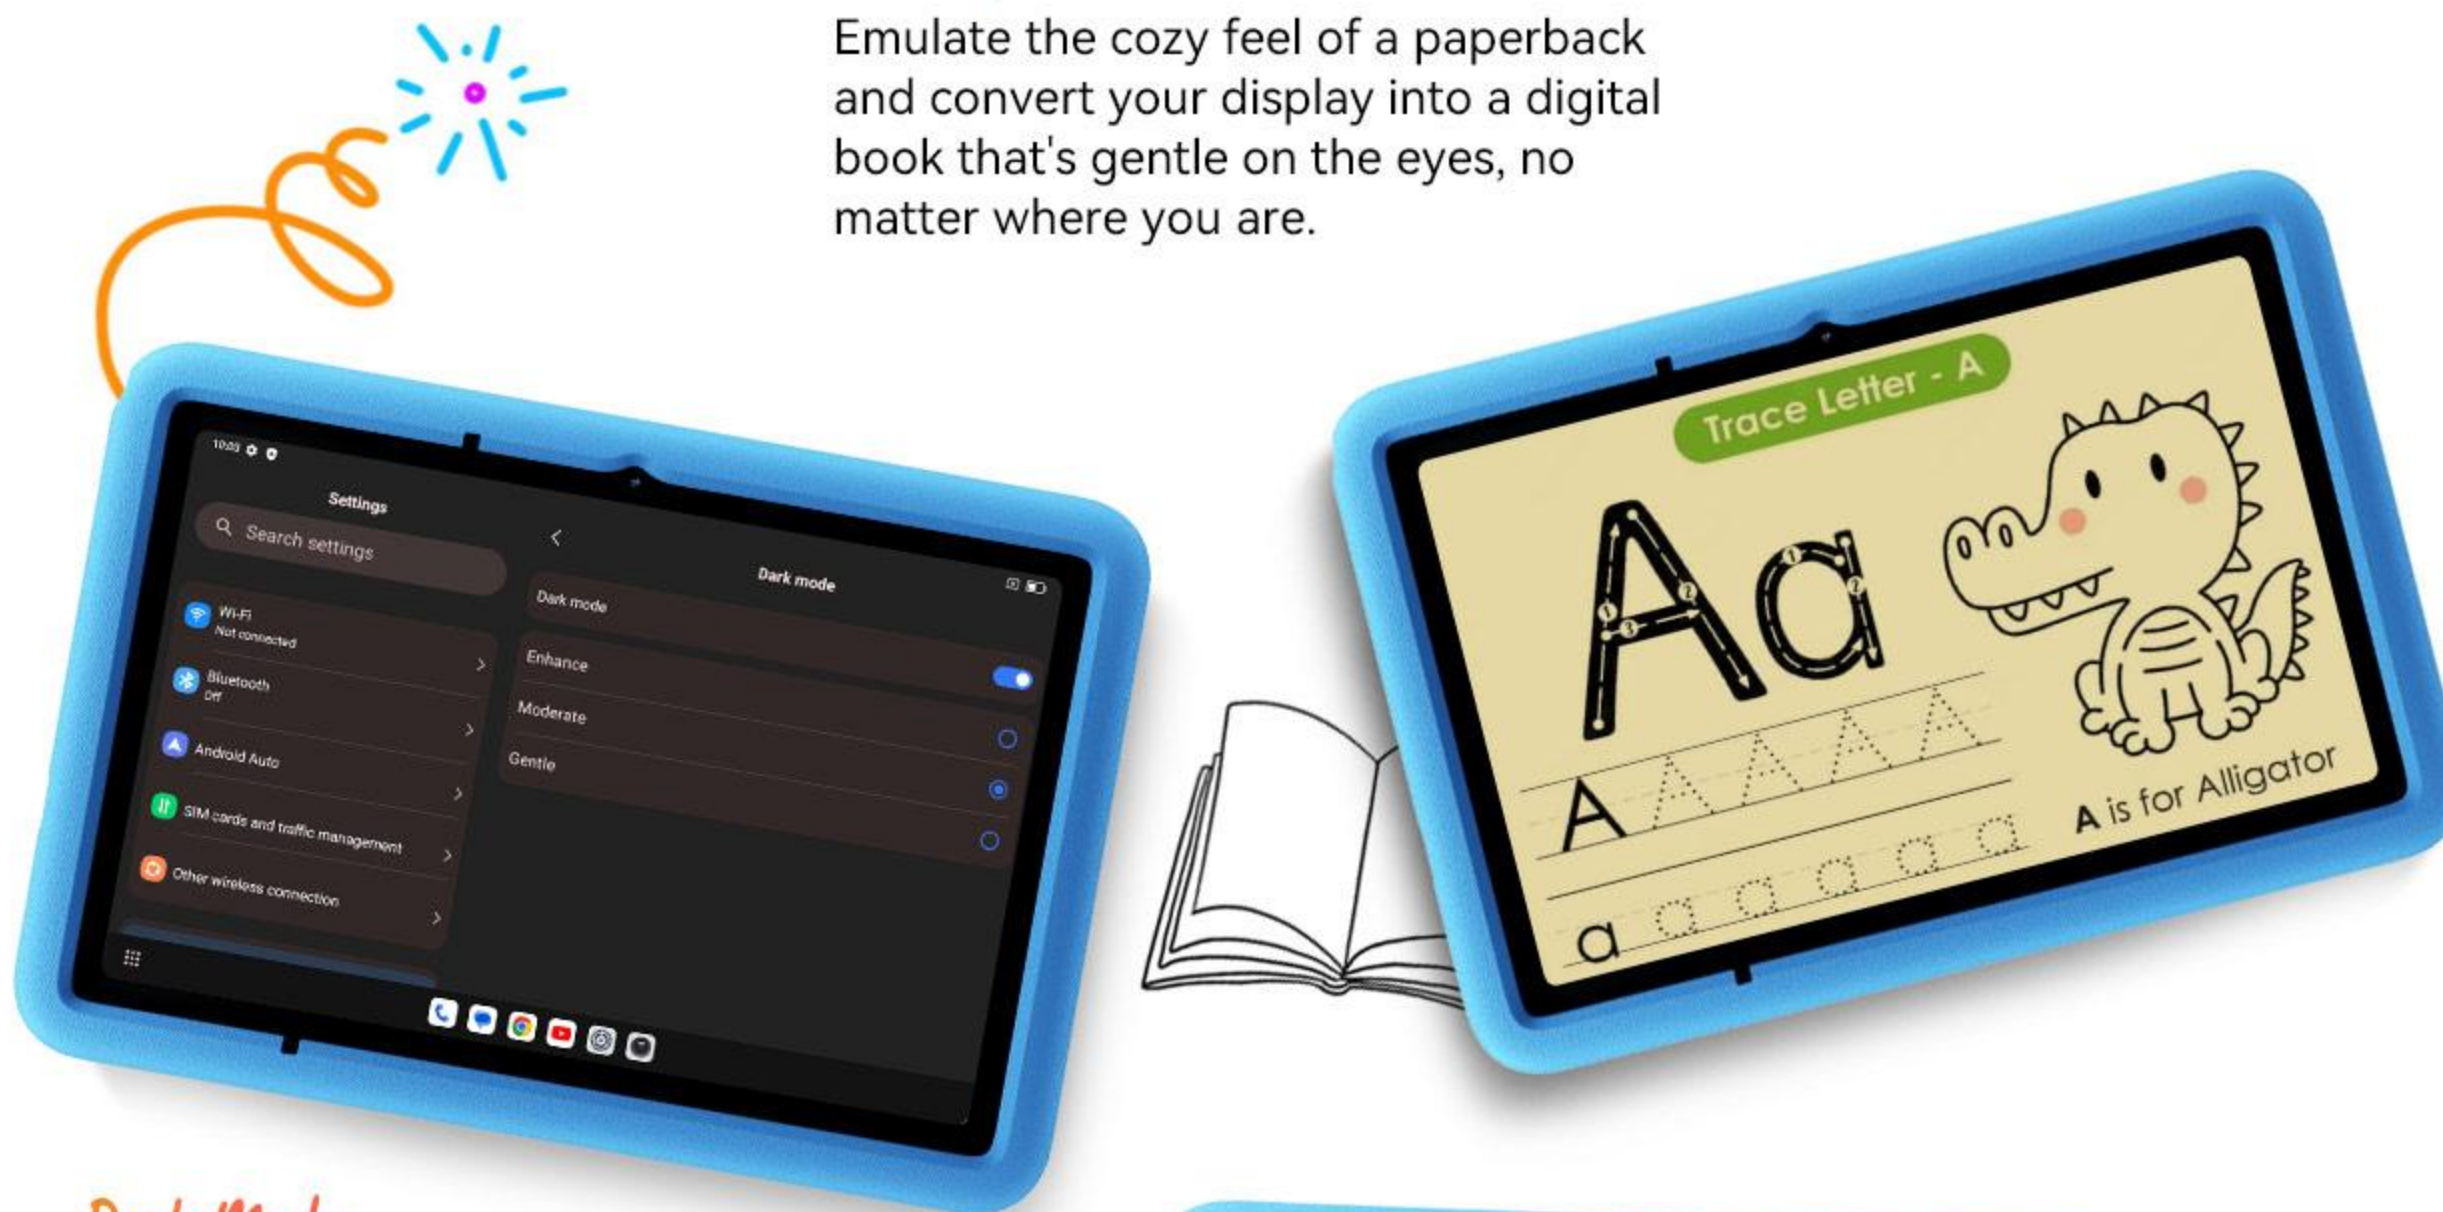

Every Tap and Swipe, Eye First

## Eye-friendly Modes

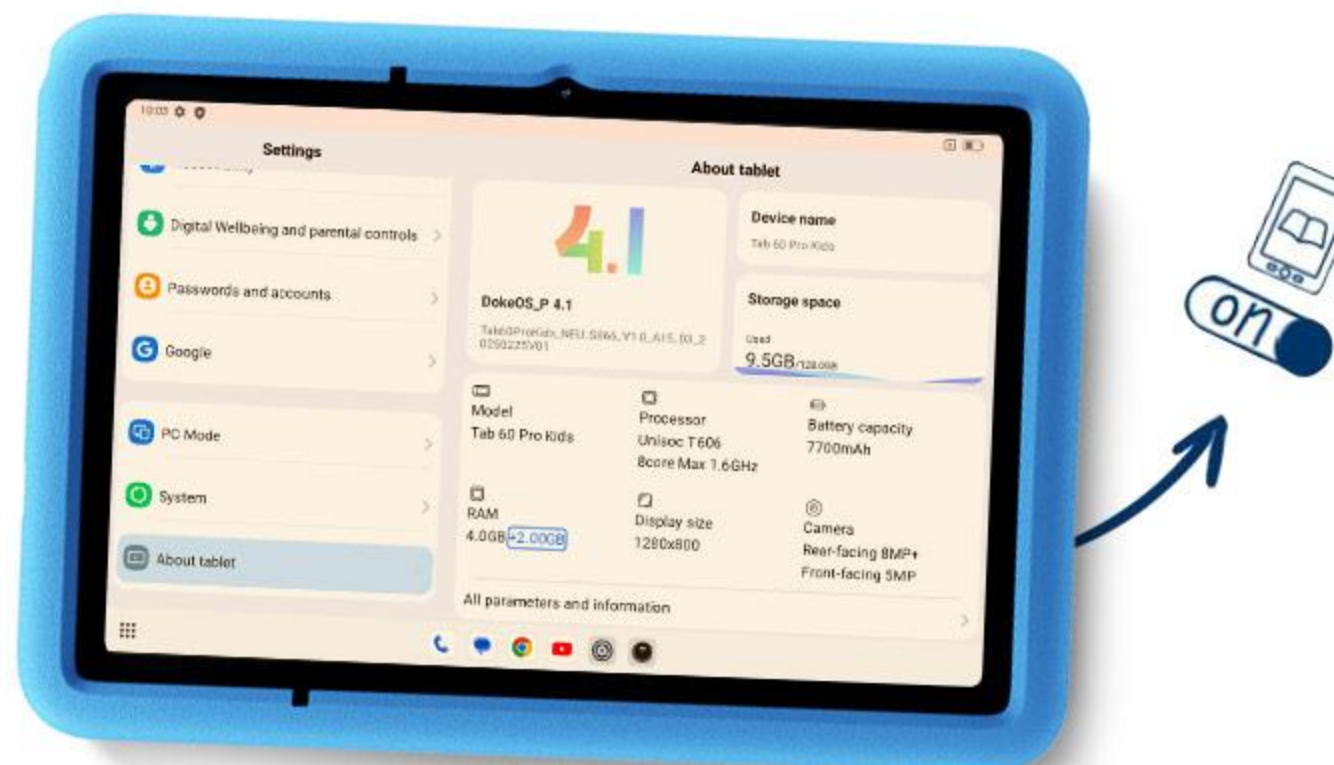

### Reading Mode

Emulate the cozy feel of a paperback and convert your display into a digital book that's gentle on the eyes, no matter where you are.

### Dark Mode

Help conserve battery life and ensure a soothing viewing experience simultaneously.

### Night Light

Intelligently adjust the screen color to amber and allow you to read or look at the screen comfortably in dim light.

Feel the Beat, Feel Alive

## Dual BOX Speakers

Want to experience richer and crystal-clear sound? Featuring dual box speakers, Tab 60 Pro Kids makes your dream come true by providing powerful and immersive sound effects that allow you to revel in every note, deep bass or crisp treble.

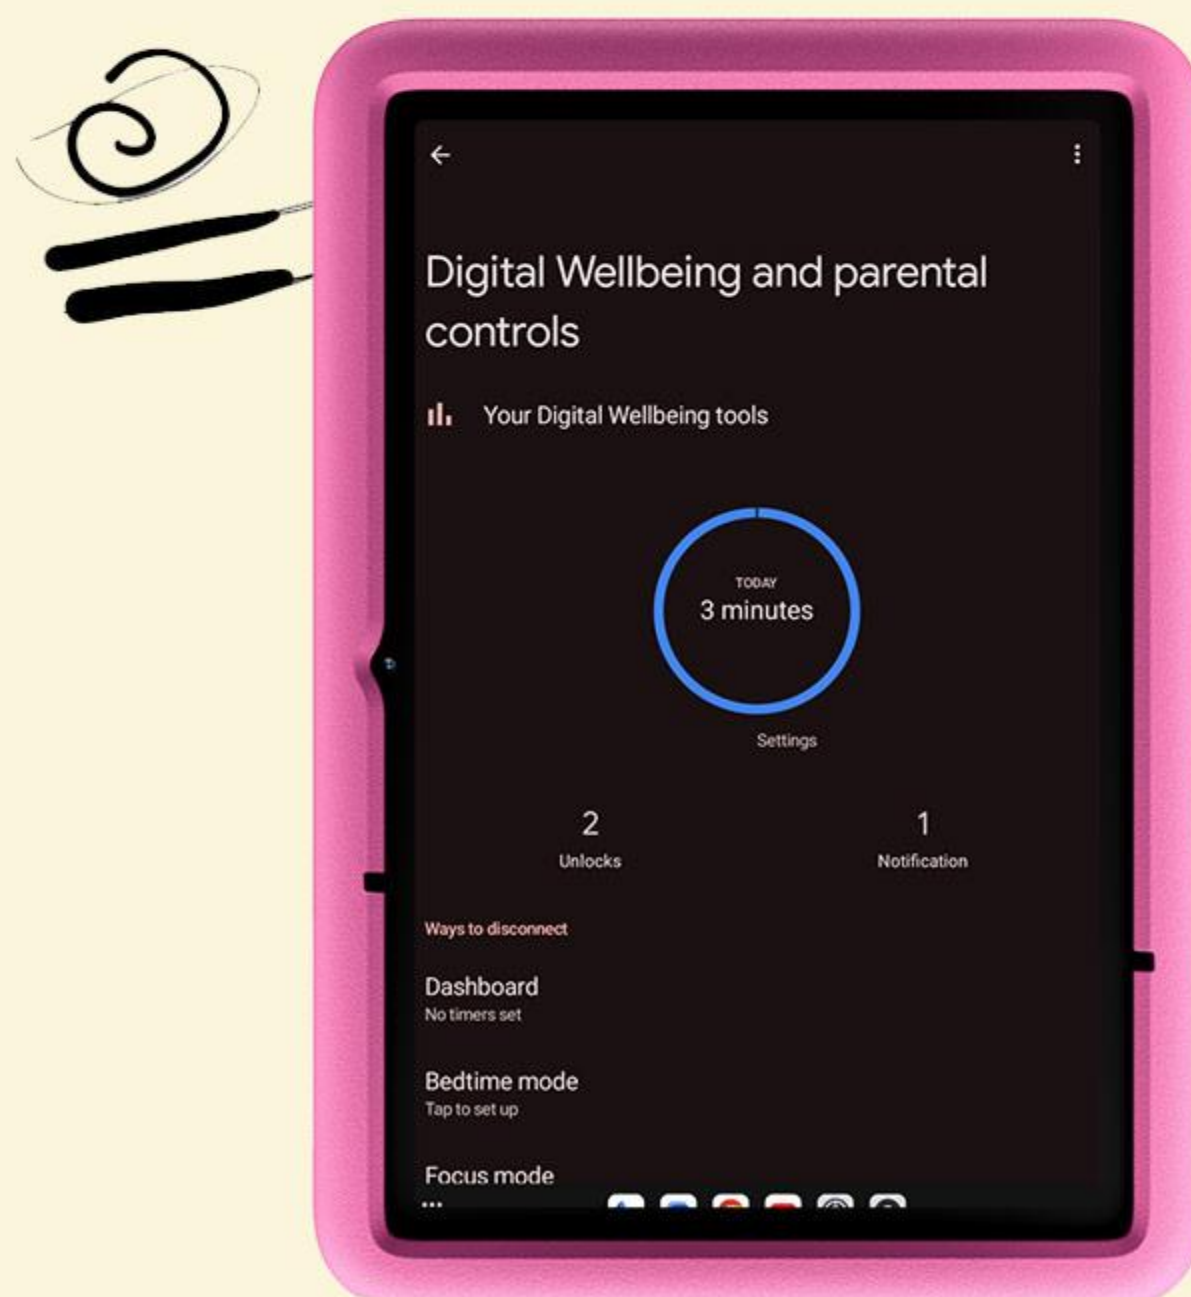

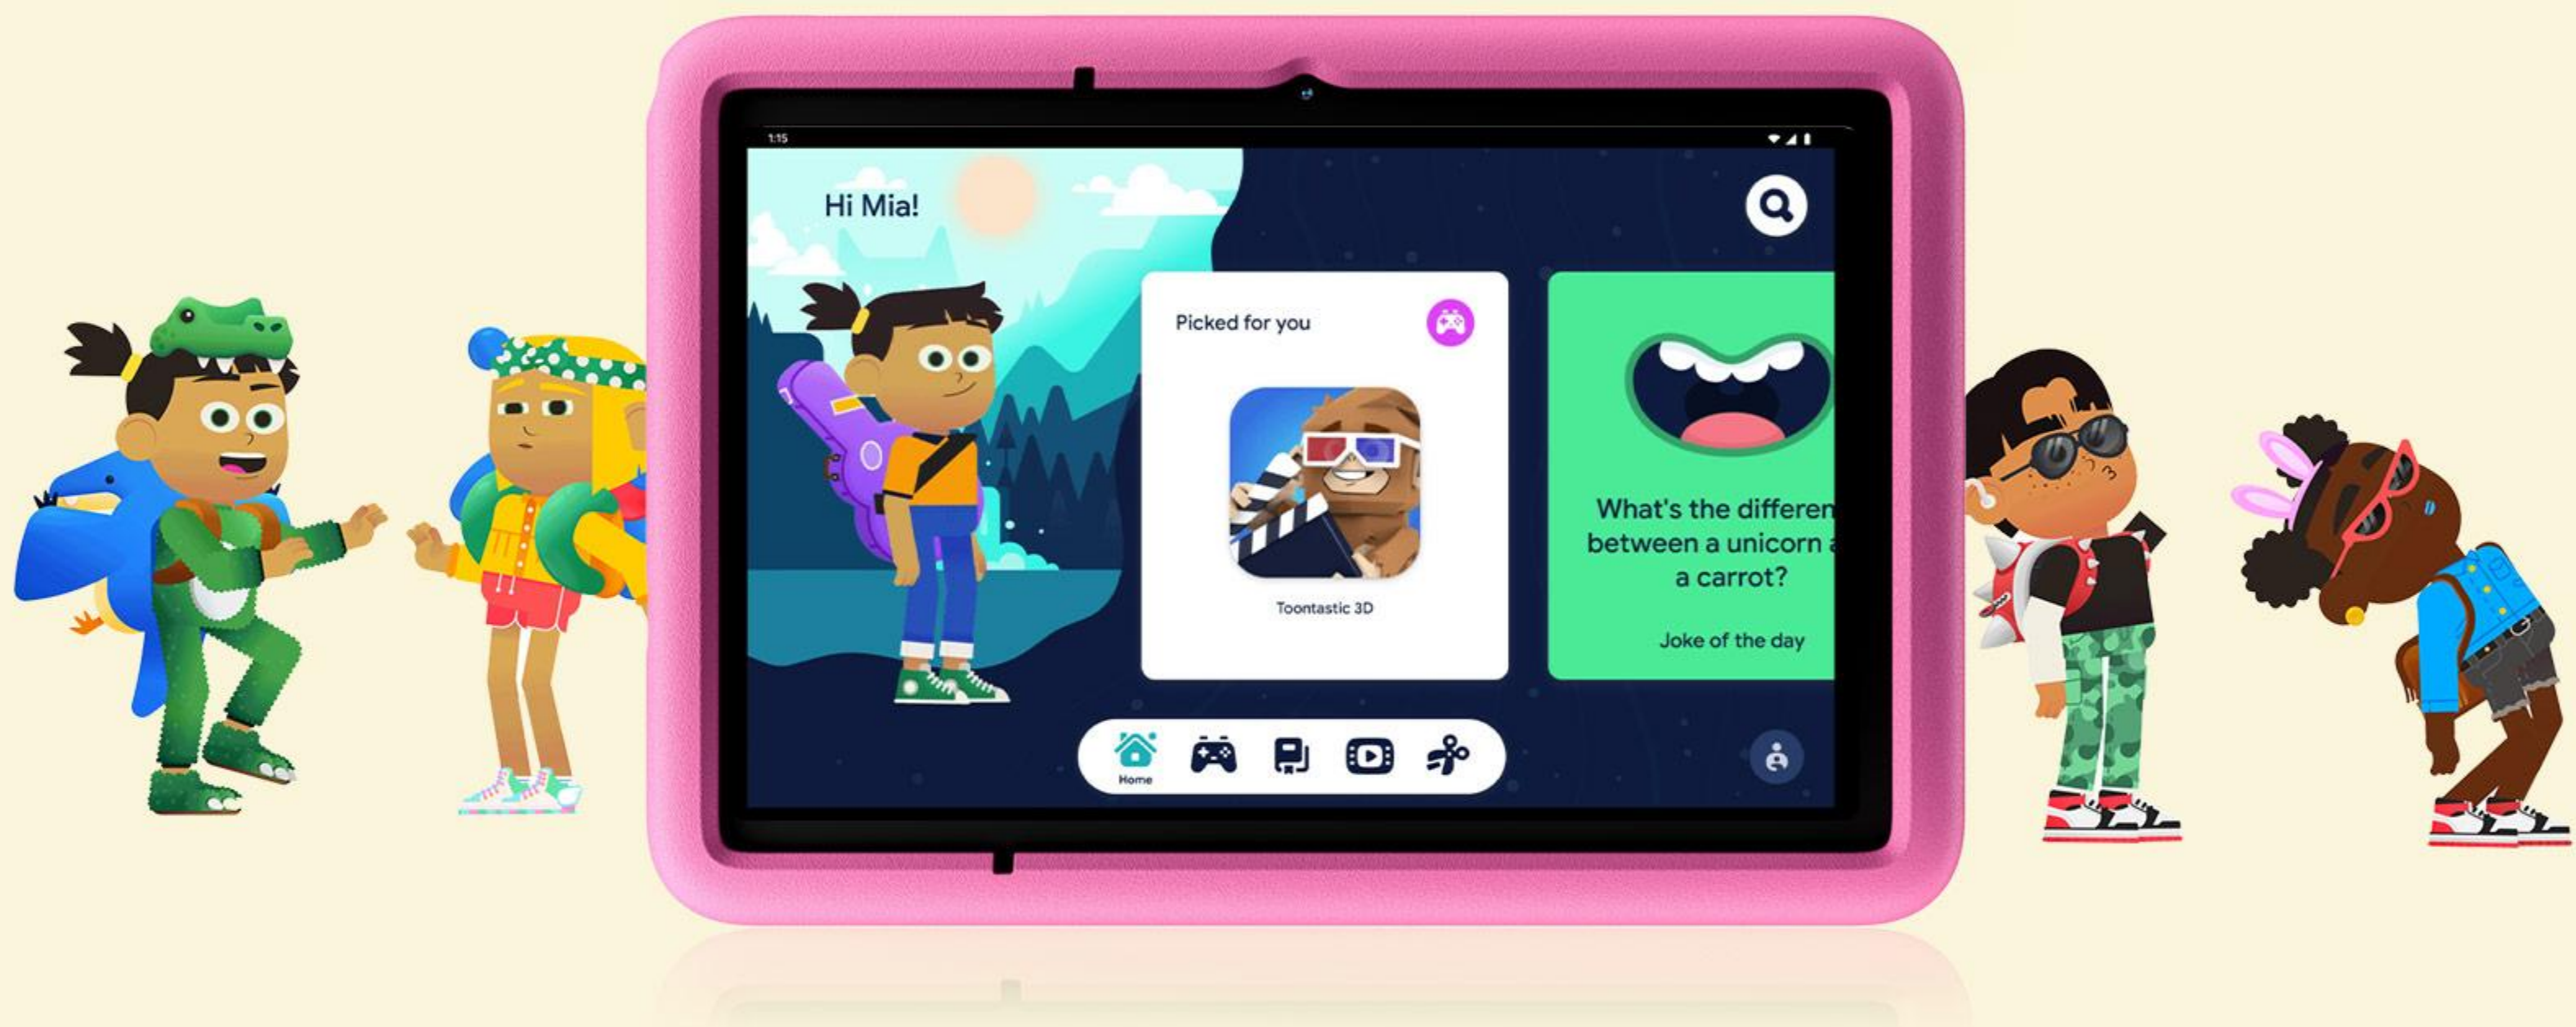

# Endless Fun through Exploration, Happy Kids, Peaceful Parents

Uncover, Learn, and Thrive

## Google Kids Space

Designed to spark curiosity, Google Kids Space offers a curated selection of apps, games, videos, and books tailored to children's interests and ages. It encourages learning through play, helping kids develop logical thinking and hands-on skills in a fun and engaging way.

Protect Your Kids Online

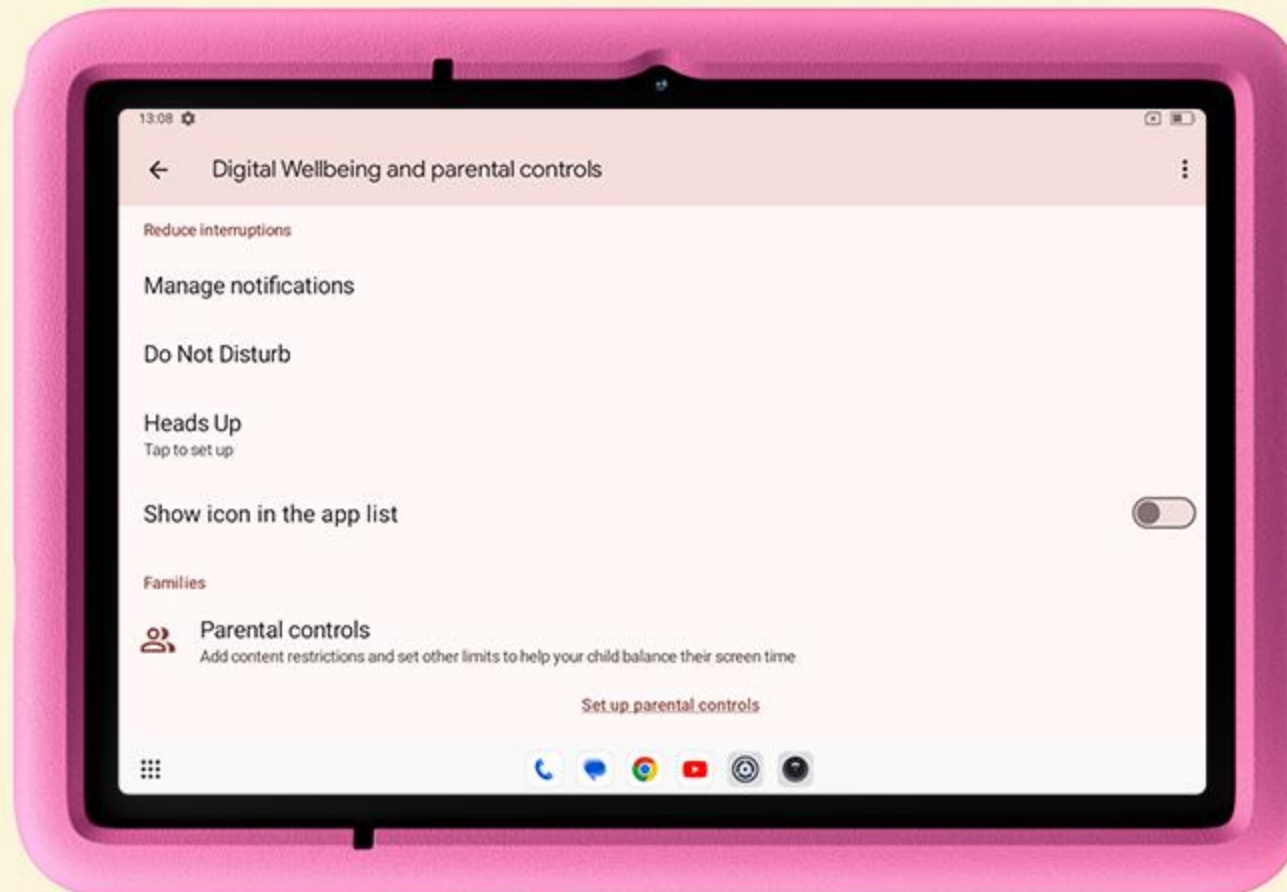

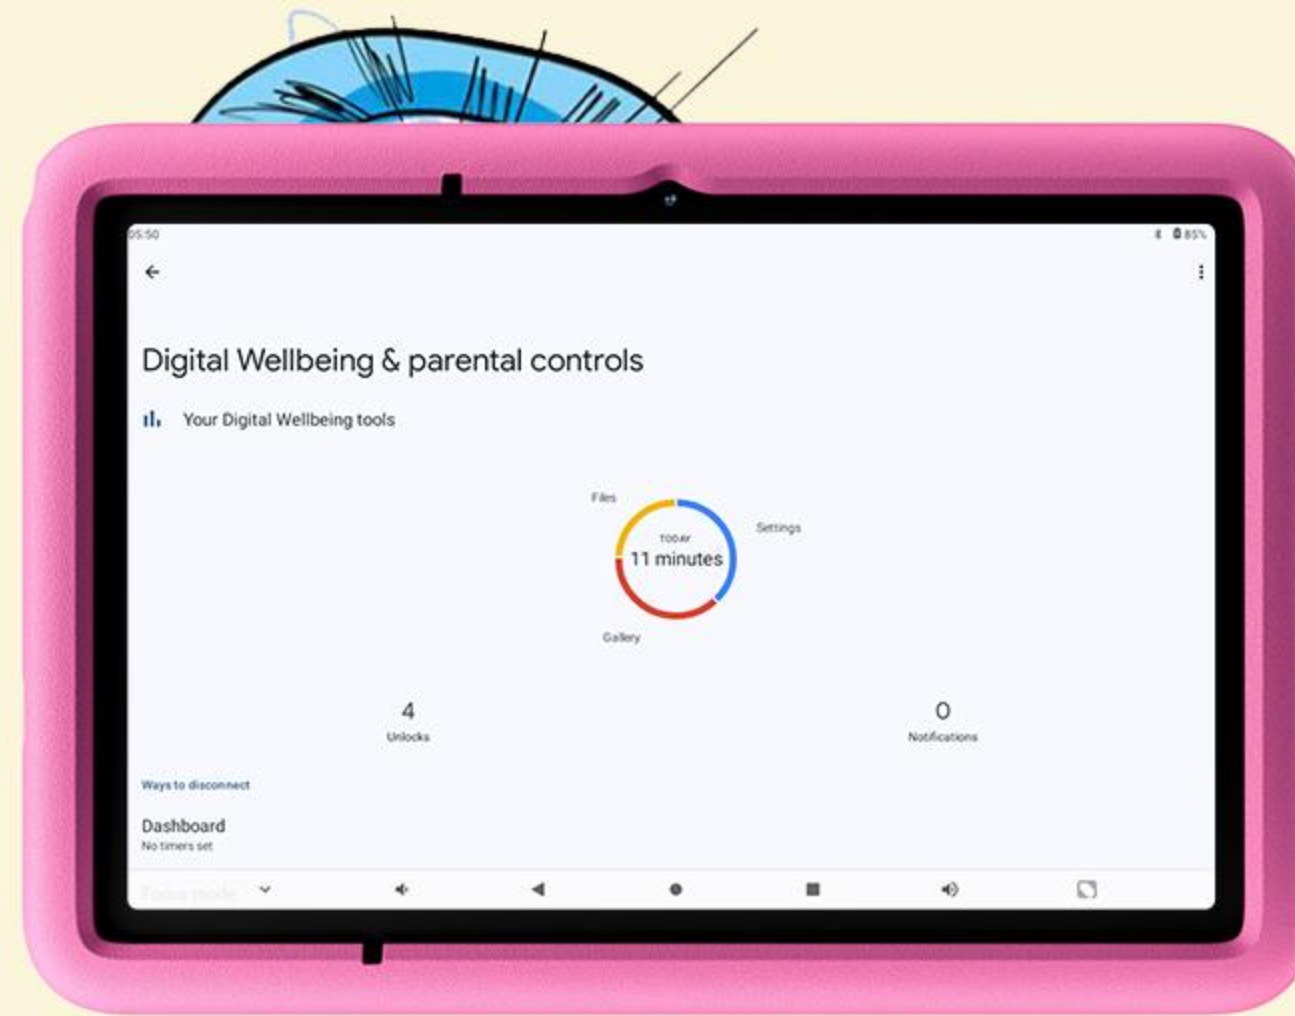

## Parental Control

Worried about your kids spending too much time on their screens? With Parental Control, you can set screen time limits, block inappropriate content, and restrict access to potentially harmful apps and services, ensuring a safe and healthy online environment for your Kids.

# Screen Time Management

Establish boundaries to keep kids balanced between learning and play.

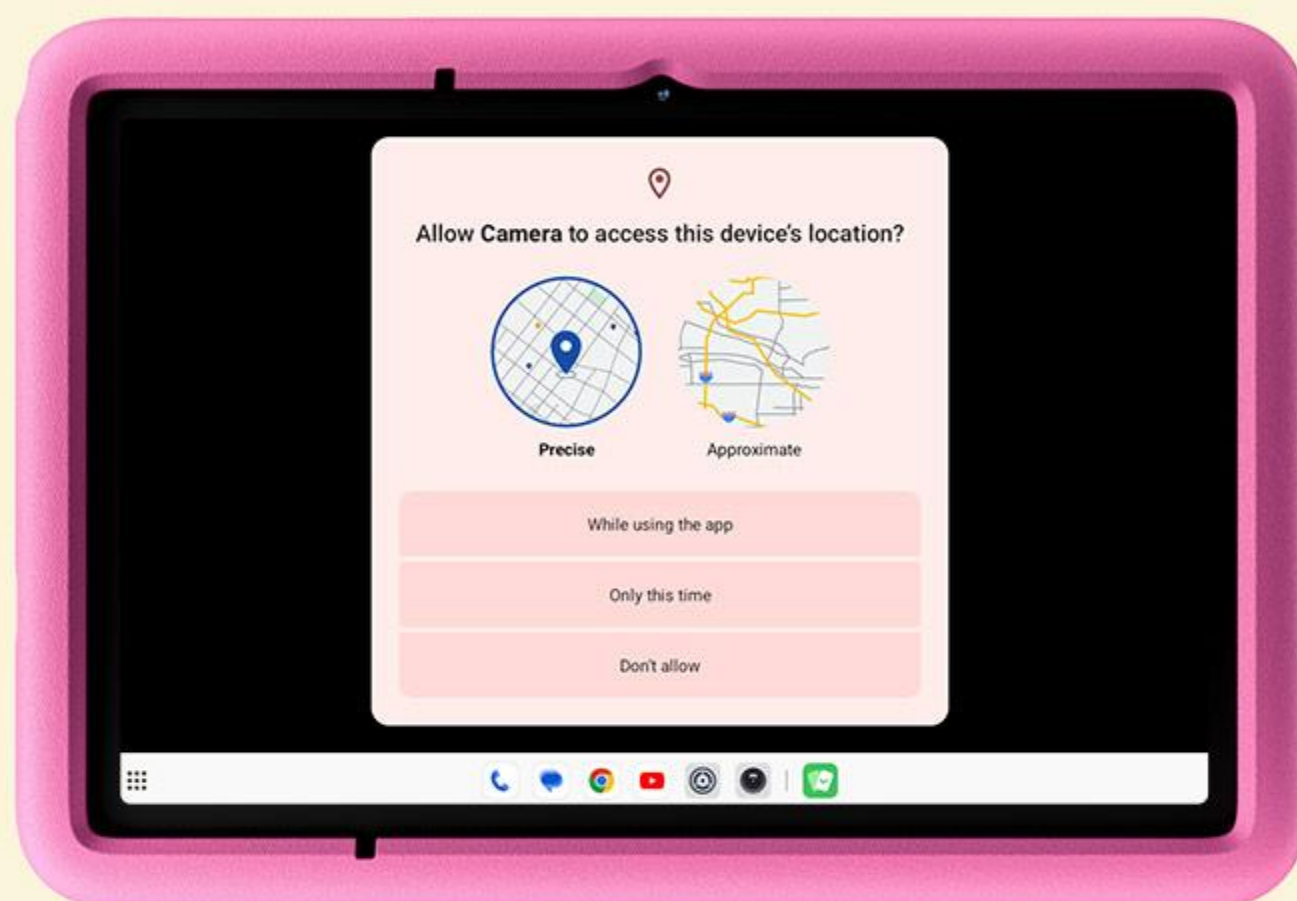

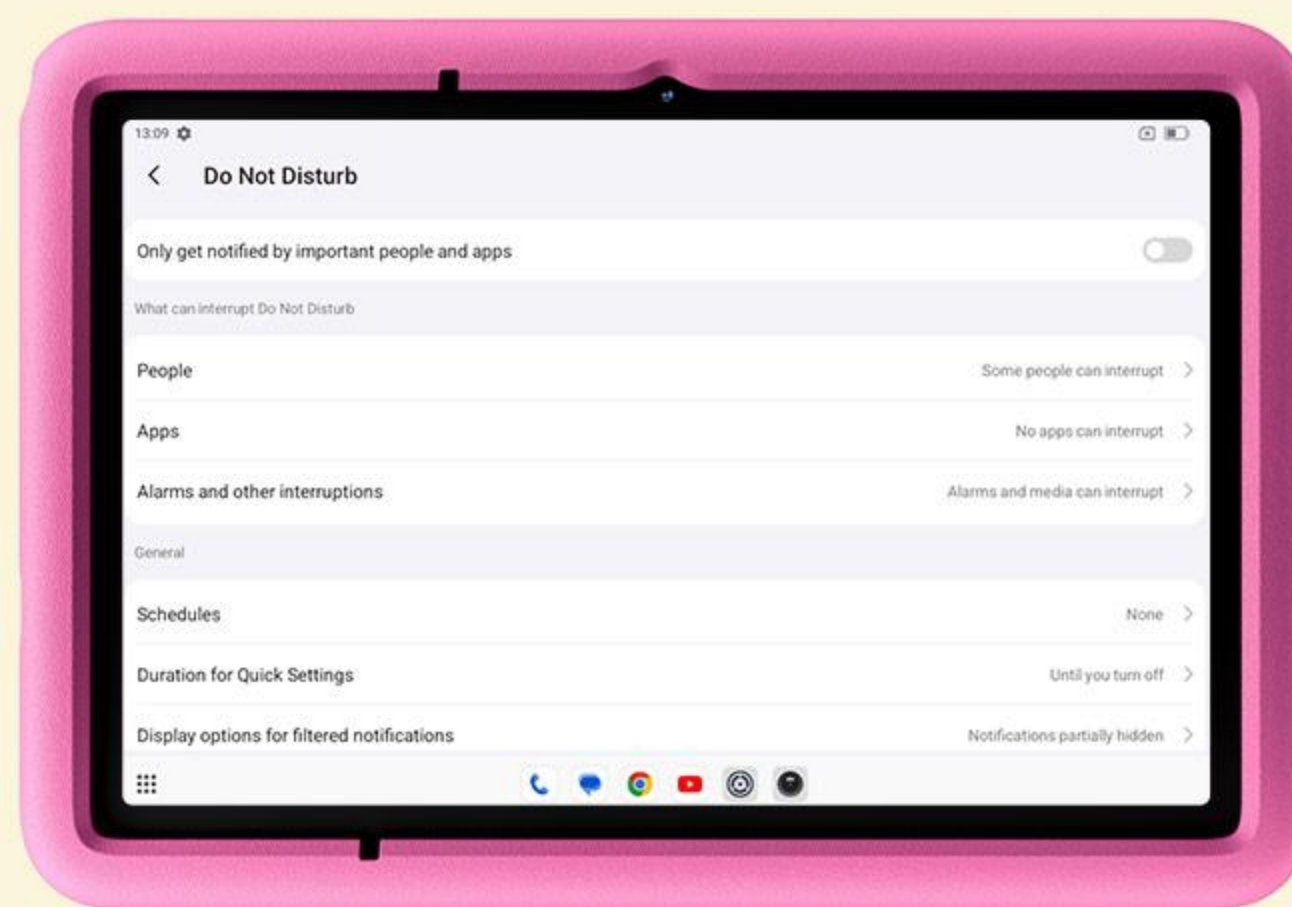

# Stay on Track with Family Link

Customize device settings and limit app access during school hours to ensure distraction-free studying.

## Create a Safer Digital Space

Monitor and manage your child's online activities for a worry-free browsing experience.

## Monitor Usage & Control Access Remotely

Check app activity and remotely lock the device when it's time to study, unwind, or sleep.

## Free EVA Protective Case

Tab 60 Pro Kids includes a durable EVA bumper case in the box, providing secure protection for your child's tablet. Carry it effortlessly and enjoy peace of mind, knowing it's safeguarded against bumps and drops.

## Free Stylus Pen

### Write, Draw, and Grow Happy

Here comes a magical little pen—turn your Pad into a canvas in seconds! Whether it's drawing puppies, writing ABCs, or playing with colors, every stroke sparks imagination. Learn while playing, remember while drawing—every doodle is a step of joyful growth!

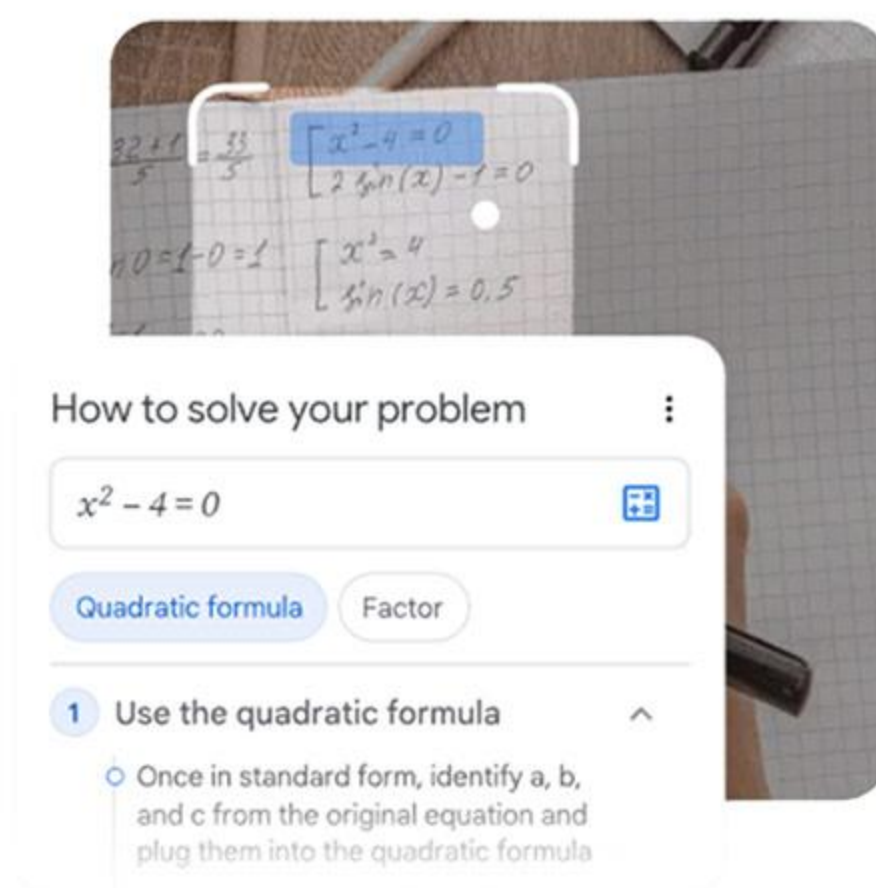

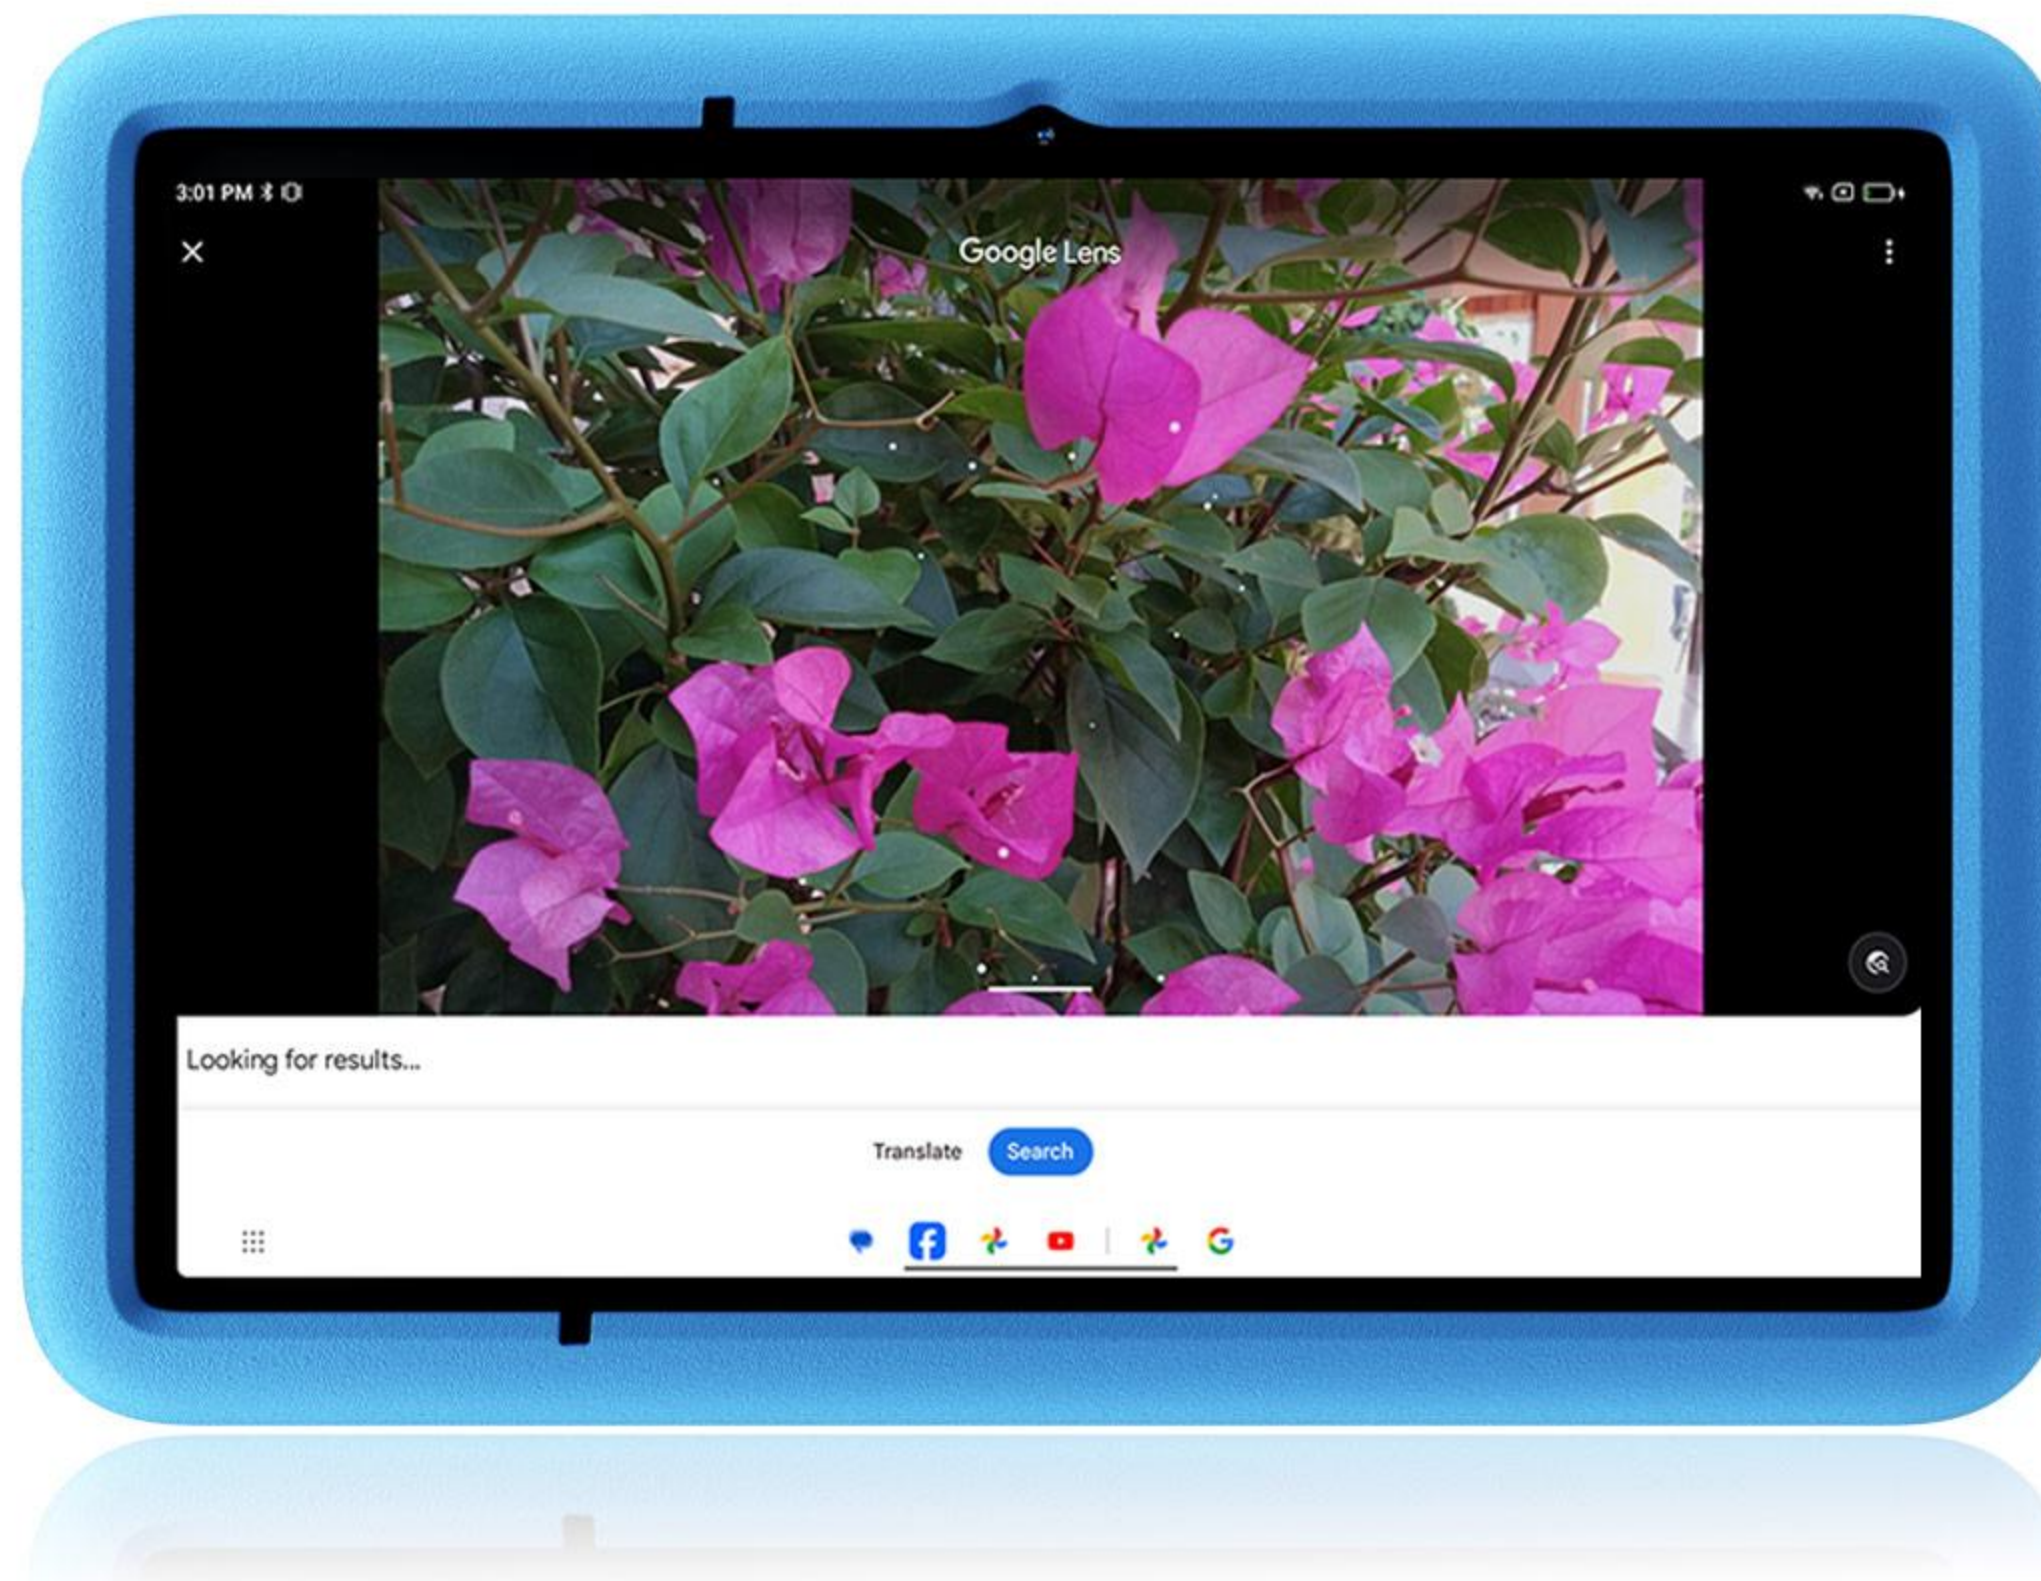

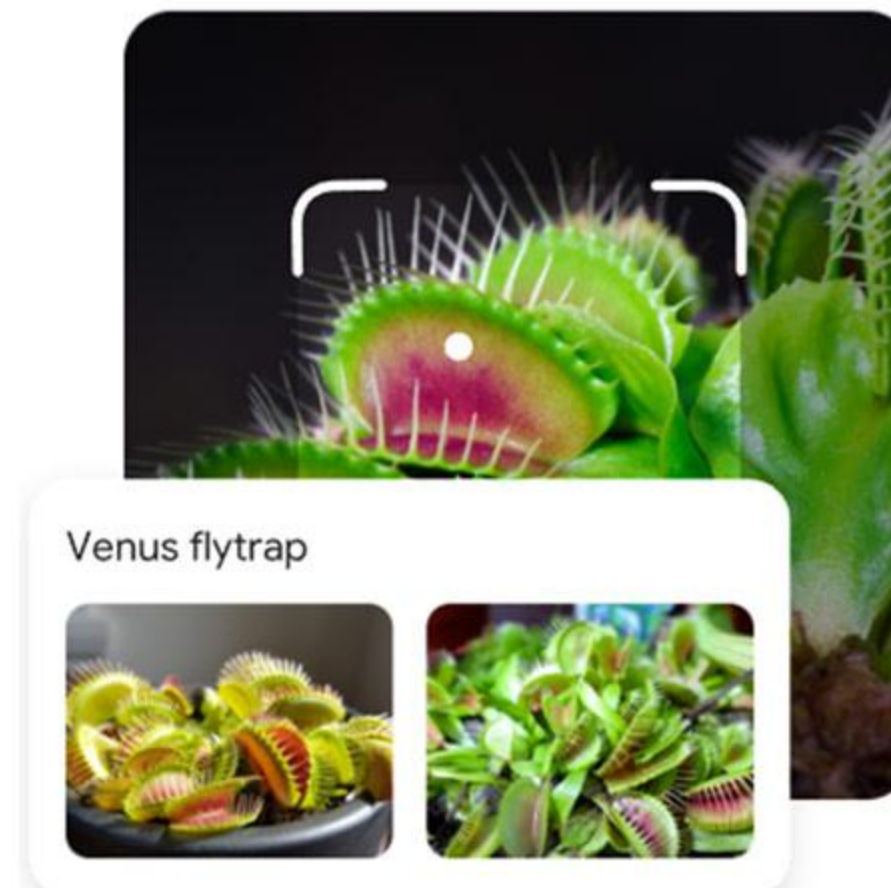

Scan, Search, Explore

## Smart Google Lens

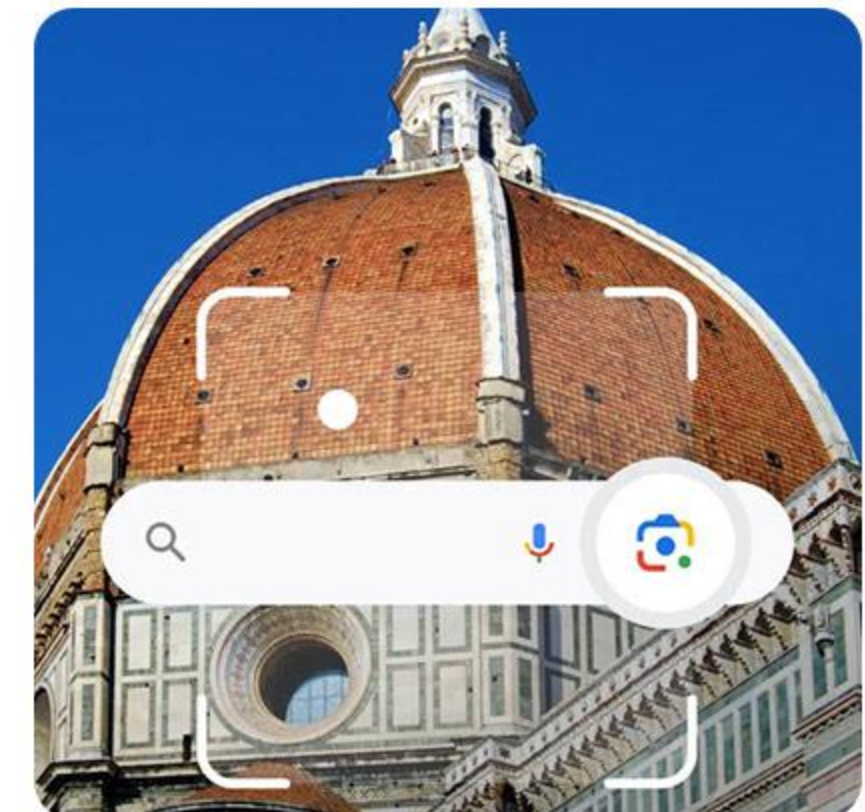

Google Lens on Tab 60 Pro Kids enables you to unlock the world around you effortlessly. Instantly access information, translate texts, identify products, and explore nearby places with just a camera glance.

Receive Step-by-step  
Solutions for Math  
Problems

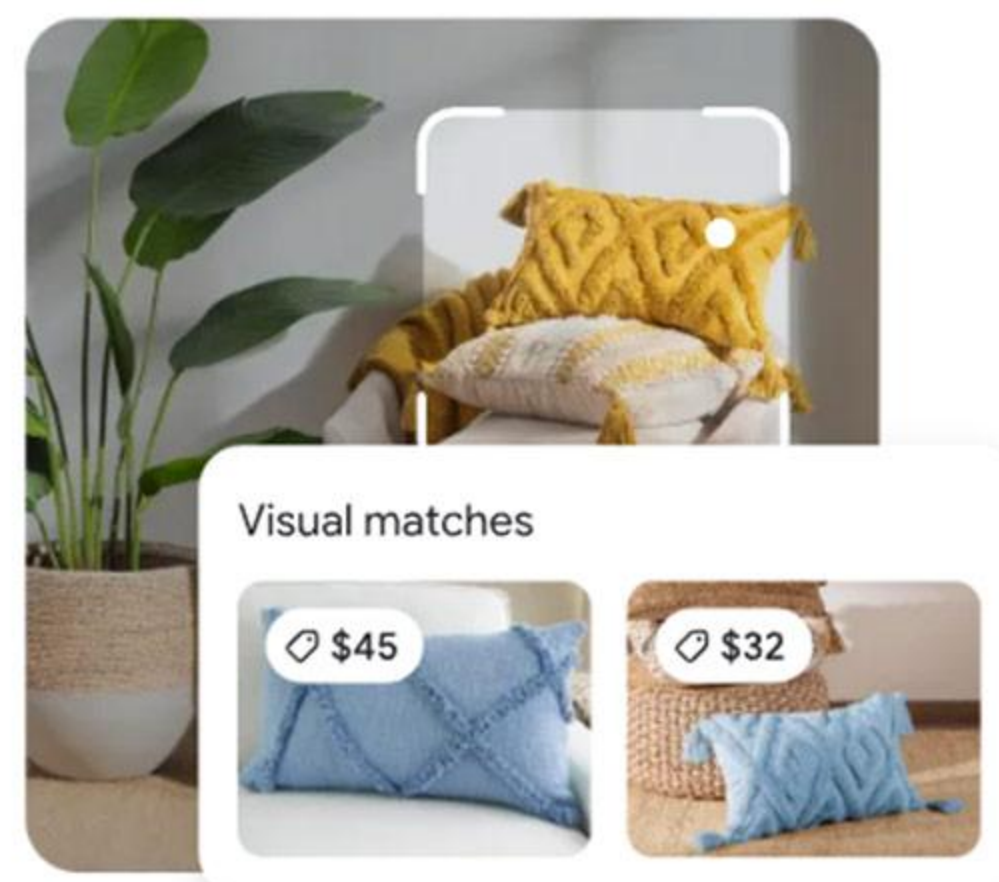

Identify Plants, Trees, and

Smooth Operation from  
12GB RAM & 128GB ROM

Power Through Your Day

## Octa-core Unisoc T606 Processor

Powered by the robust Unisoc T606 processor, Tab 60 Pro Kids delivers outstanding performance and efficiency. Plus, with the octa-core architecture, multitasking becomes effortless. Seamlessly transition between applications, stream media, and navigate with unparalleled fluidity on every occasion.

More Memory, More Possibilities

## Up to 12GB RAM

Tired of frustrating slowdowns for a lack of RAM? Not again with Tab 60 Pro Kids. Boasting 12GB RAM in total, 4GB physical and 8GB virtual, it enables you to do several tasks simultaneously as smoothly as possible.

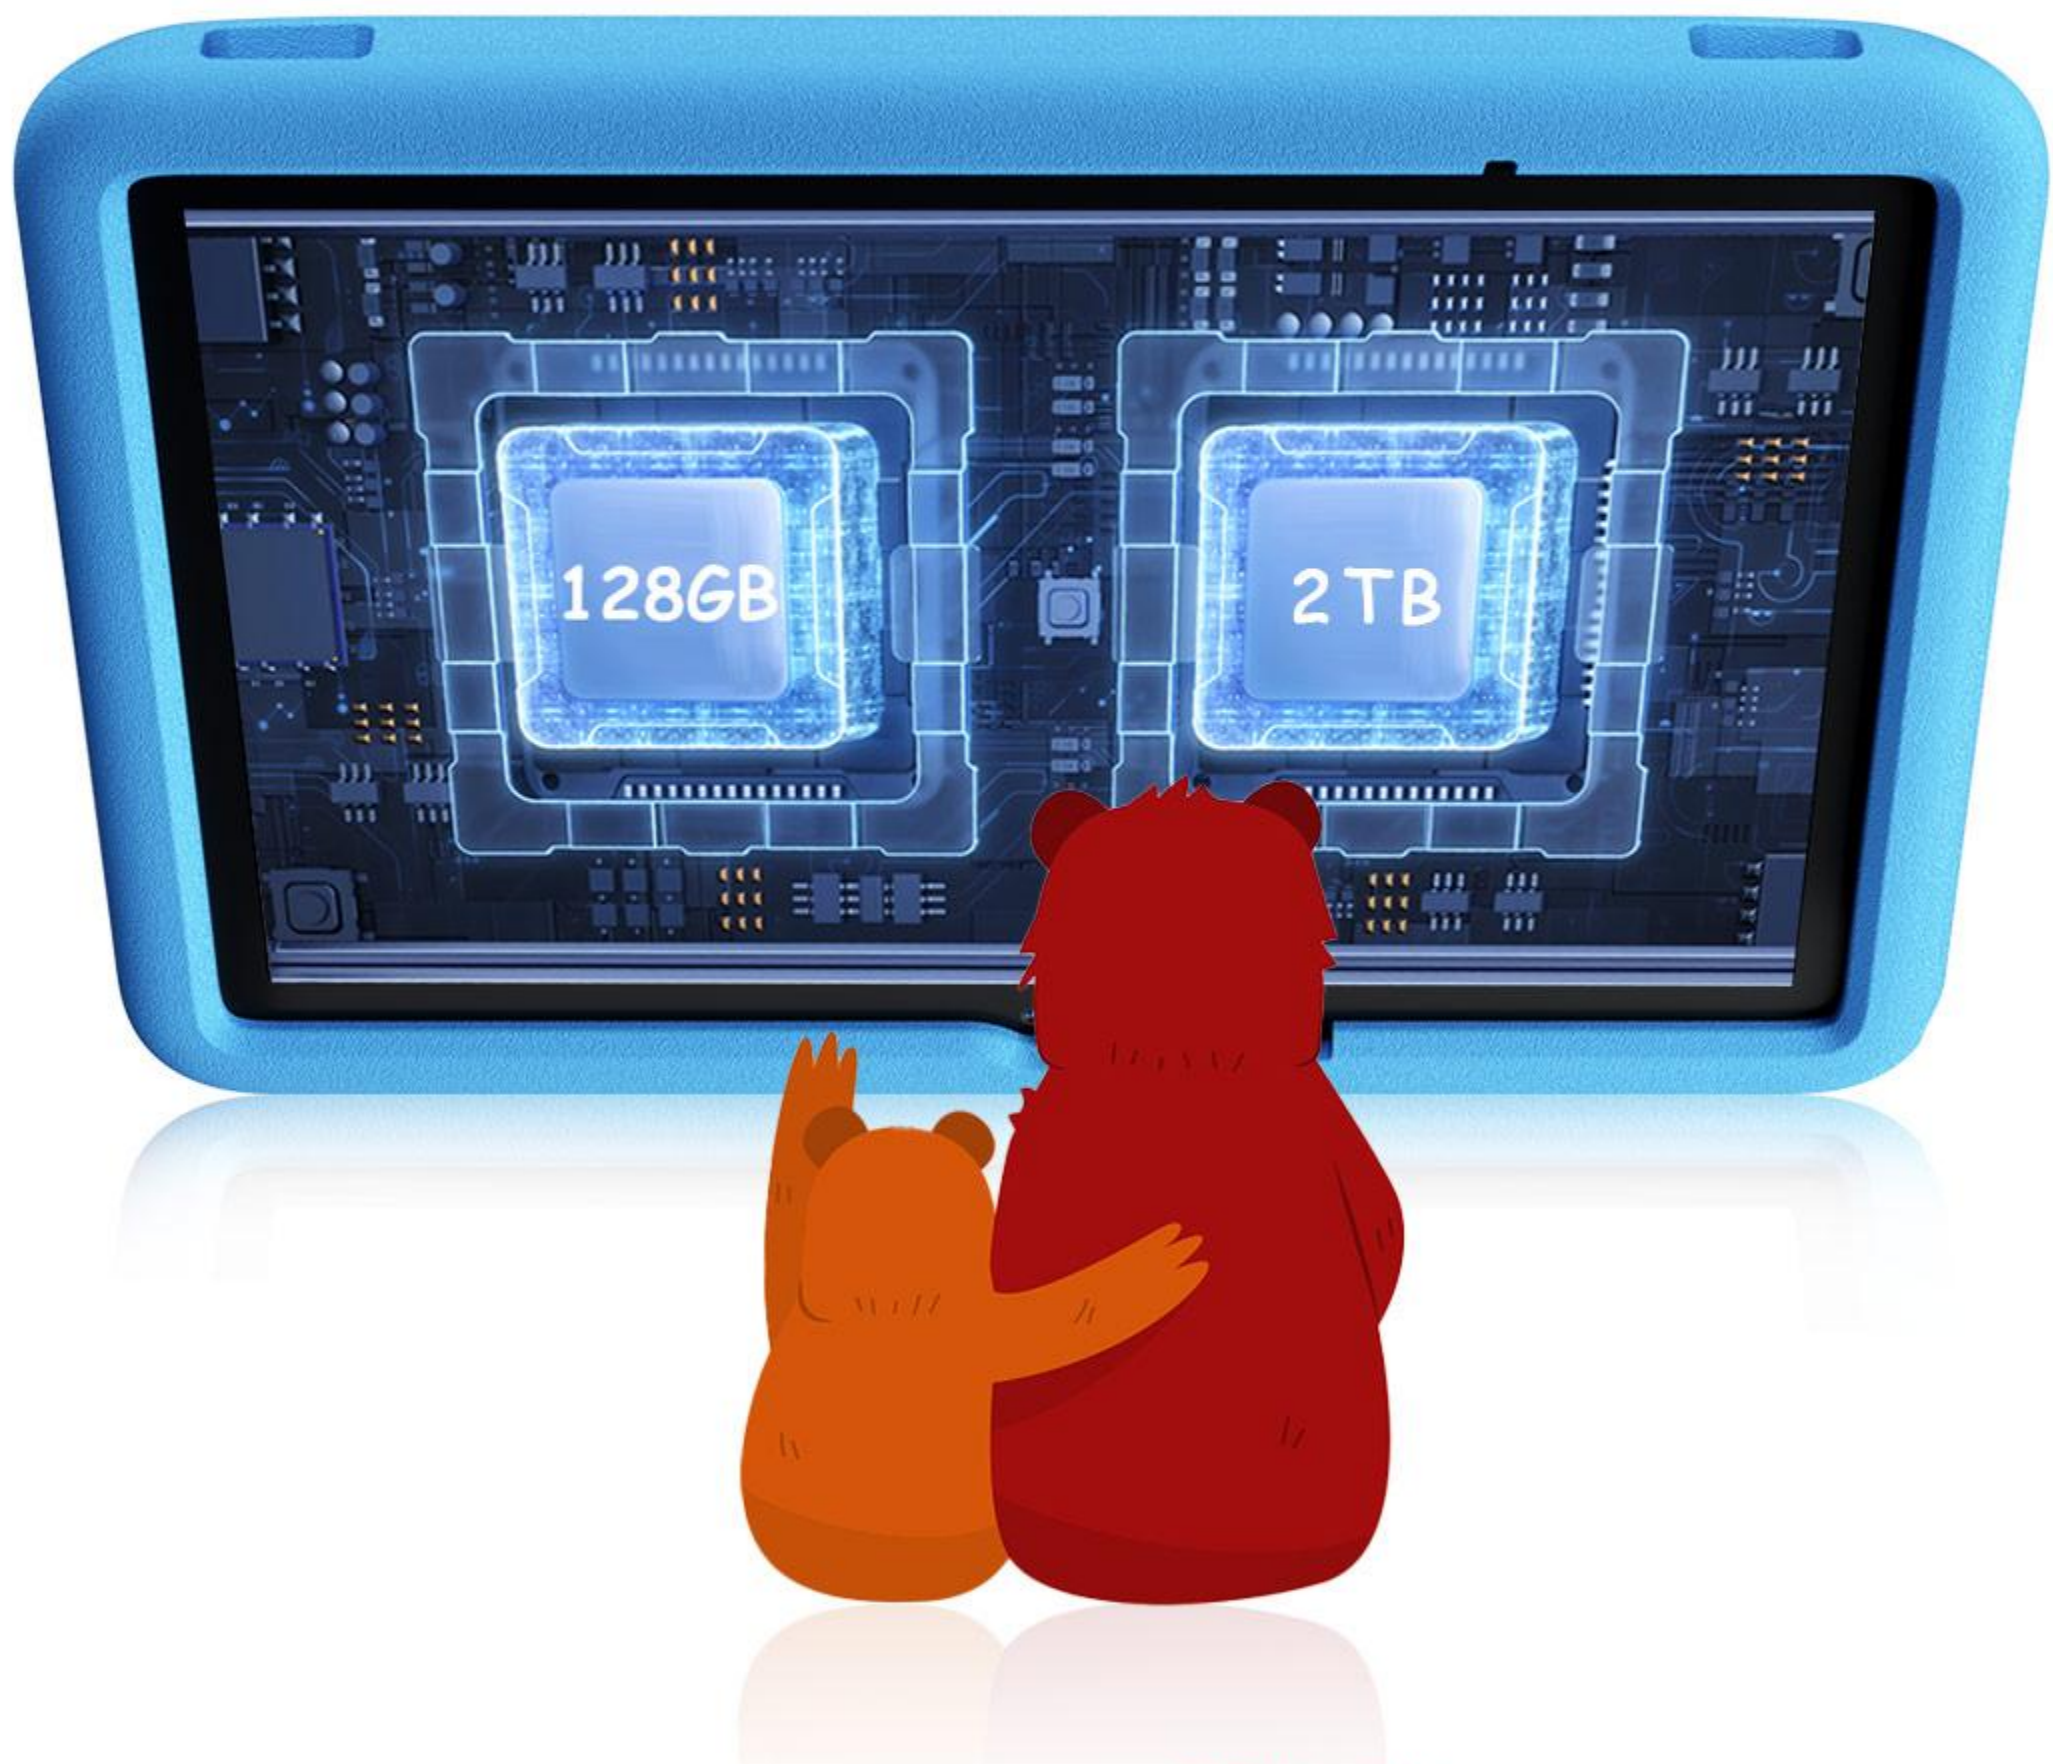

Up to 12GB RAM =  
4GB RAM + 8GB Expansion

Space to Explore, Freedom to Store

## 128GB ROM + Up to 2TB TF Card Support

It's easy to eat up space if you obsess over saving videos or installing apps. Tab 60 Pro Kids with 128GB ROM and up to 2TB expandable storage offers you enough space for your files, photos, episodes, and more. You don't have to free up space constantly.

128GB ROM +  
Up to 2TB TF Card Expansion

≈ 293K+ Photos  
≈ 4.9K+ Short Videos  
≈ 768K+ Songs

No.3

## 7700mAh Mega Battery and Dual SIM Card Support

Go Longer Without Stopping

### 7700mAh Mega Battery

Tab 60 Pro Kids features a 7700mAh battery designed for extended use. Whether your child is watching videos, playing games, or learning online, it delivers hours of reliable performance on a single charge.

Game  
7hrs

Video

\*The data is tested by Blackview Laboratory based on continuous use. Battery life depends on the actual usage situation.

Enjoy Blazing-fast 5G WiFi

## 5G WiFi

With dual-band WiFi 5.0, Tab 60 Pro Kids ensures speedy internet for seamless gaming, streaming, and online learning. Your child can explore, learn, and play without interruptions.

Always Stay Connected

## Dual SIM Card Support

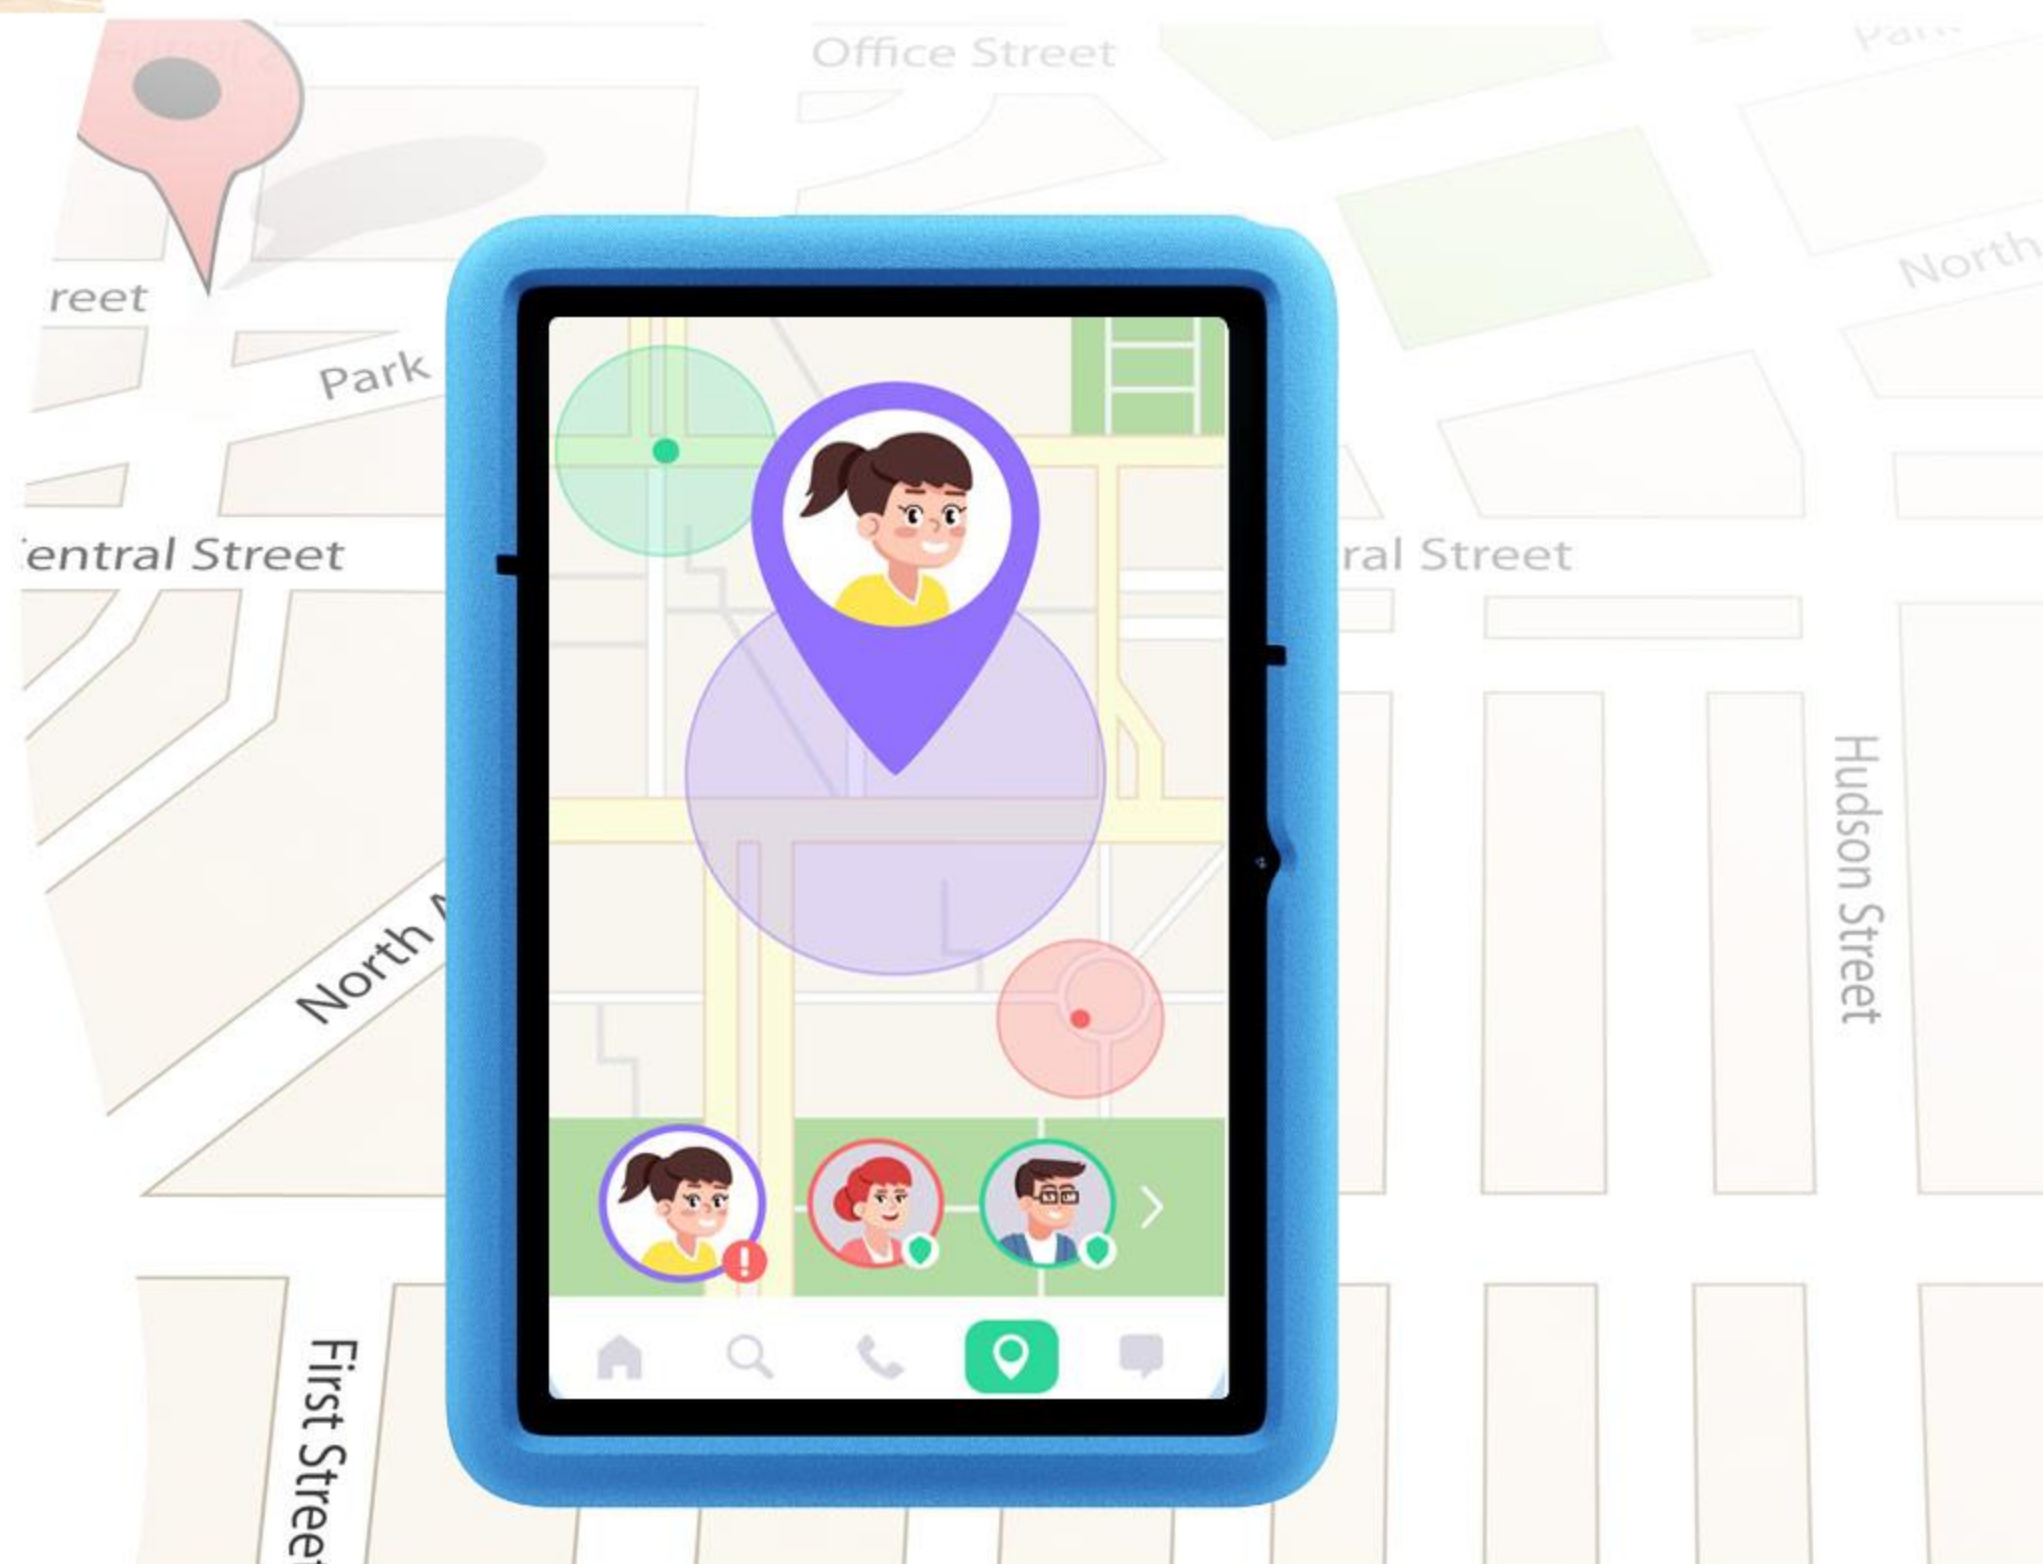

The dual SIM card slot allows you to use two 4G SIM cards or combine one SIM card with a TF card for expanded storage. This ensures your child stays connected to family and friends, even without Wi-Fi, offering added convenience and flexibility.

Never Lose Your Way

## GPS+Glonass + Beidou+Galileo

Equipped with a high-precision quad-navigation system, Tab 60 Pro Kids provides top-notch route planning for your travels, whether you're driving, walking, or cycling.

No.4

## 5MP Front & 8MP Rear Cameras That Enhance Life Convenience

Clear Selfies Made Easy

### 5MP Front Camera

The 5MP front camera on Tab 60 Pro Kids delivers clear image quality for video calls, online learning, and fun selfies. Perfect for staying connected with friends and family.

Decent Image Quality, Always

### 8MP Rear Camera

Tab 60 Pro Kids features an 8MP rear camera that excels in capturing documents, everyday photos, and family videos, delivering satisfactory color reproduction and detail handling.

Unlock with Your Face

### Face Unlock

Easily unlock your device by simply glancing at it, while ensuring the security of your personal information.

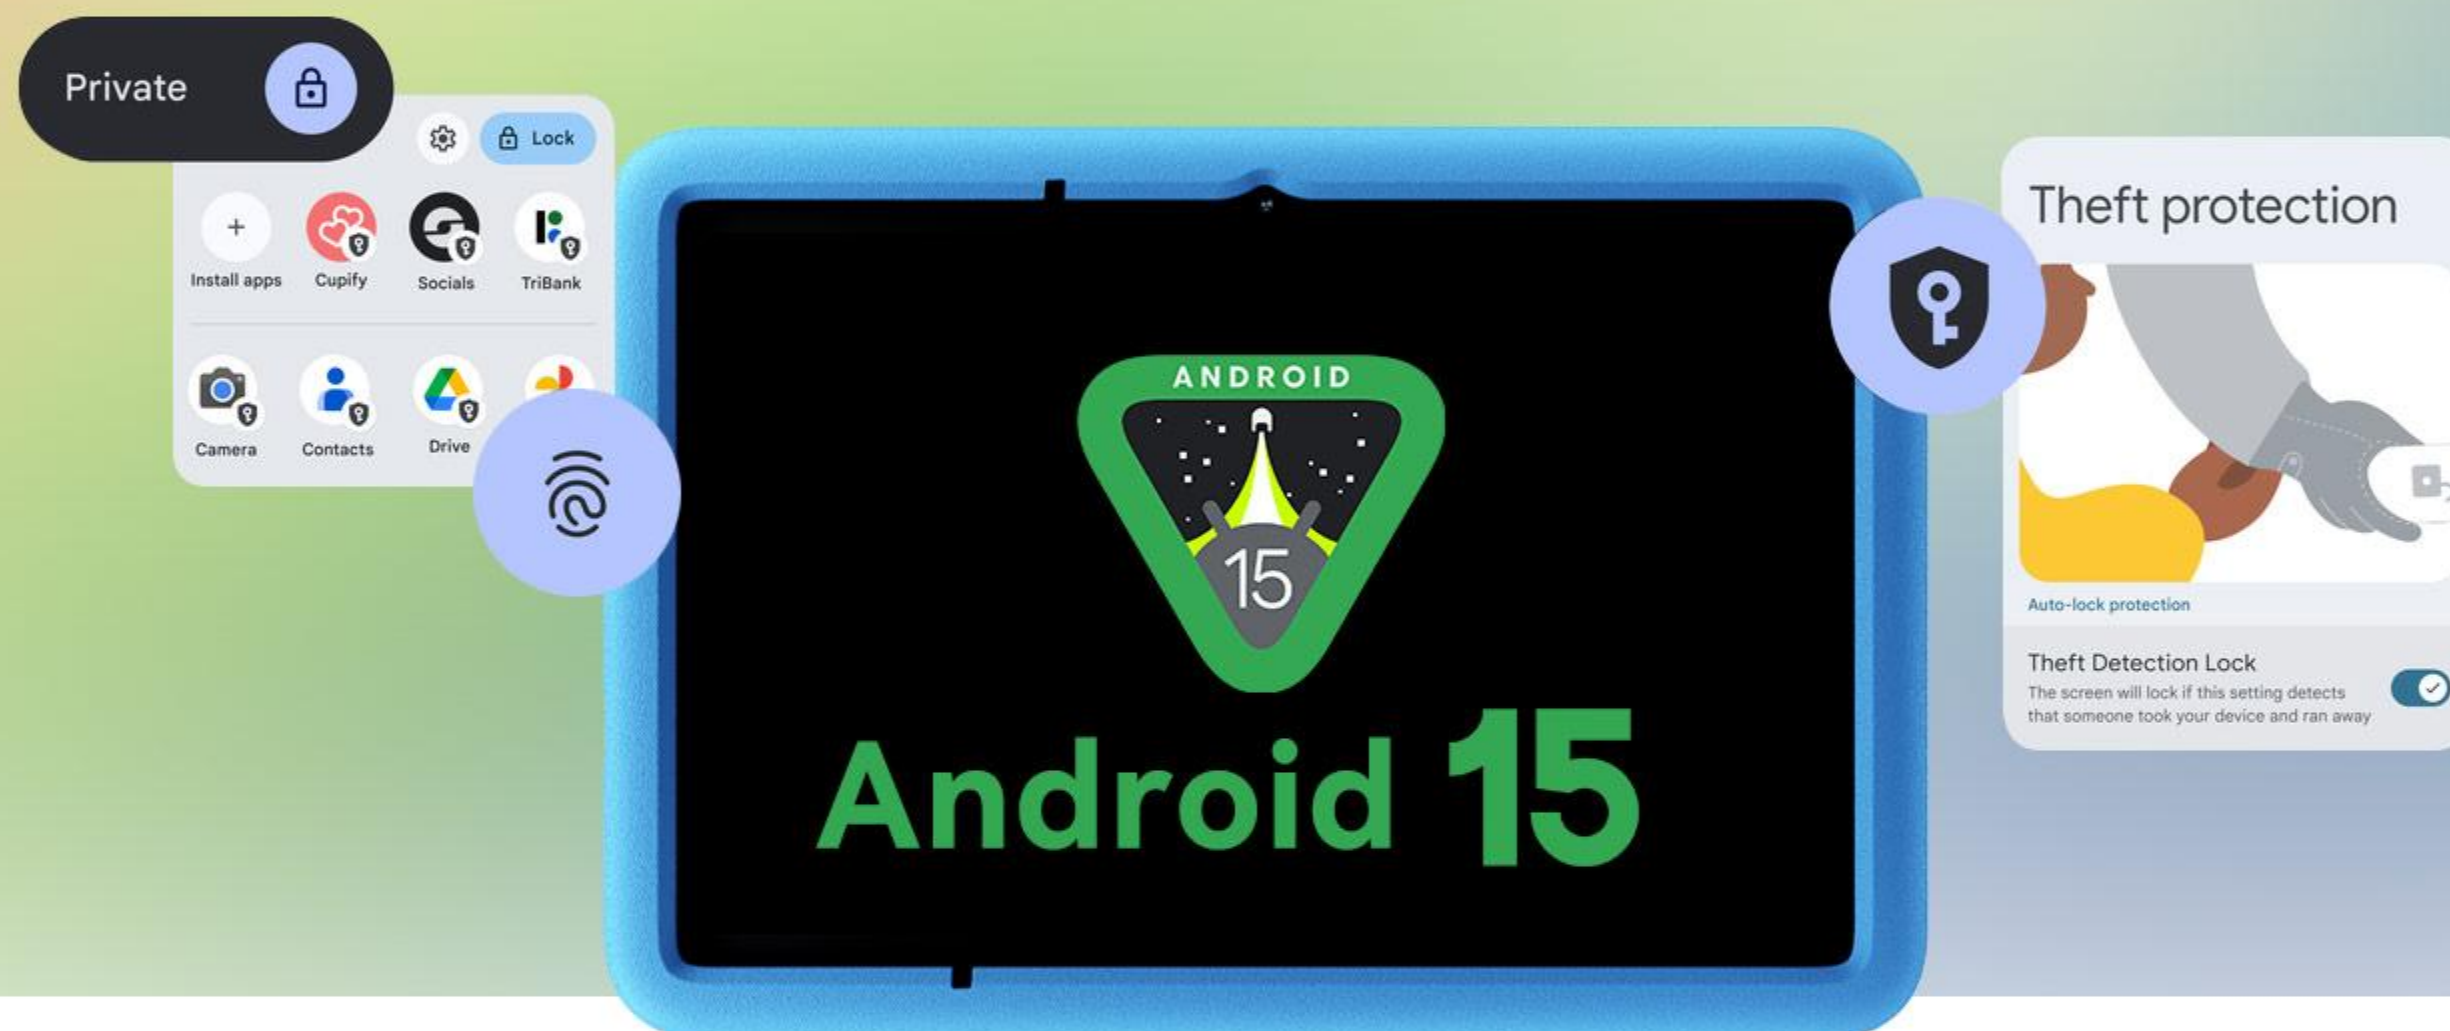

# No.5

## The Upgraded DokeOS\_P 4.1 Based on Android 15 – Exciting Adventures Await for Kids!

Fluency ↑ Convenience ↑ Privacy ↑ Personalization ↑

With the upgraded DokeOS\_P 4.1 based on Android 15, Tab 60 Pro Kids offers a more intelligent, secure, personalized, and convenient experience compared to DokeOS\_P 4.0. Designed for modern users, it enhances productivity, safeguards your data, and simplifies daily interactions, taking your device to the next level.

## Next-level Efficiency at Your Fingertips

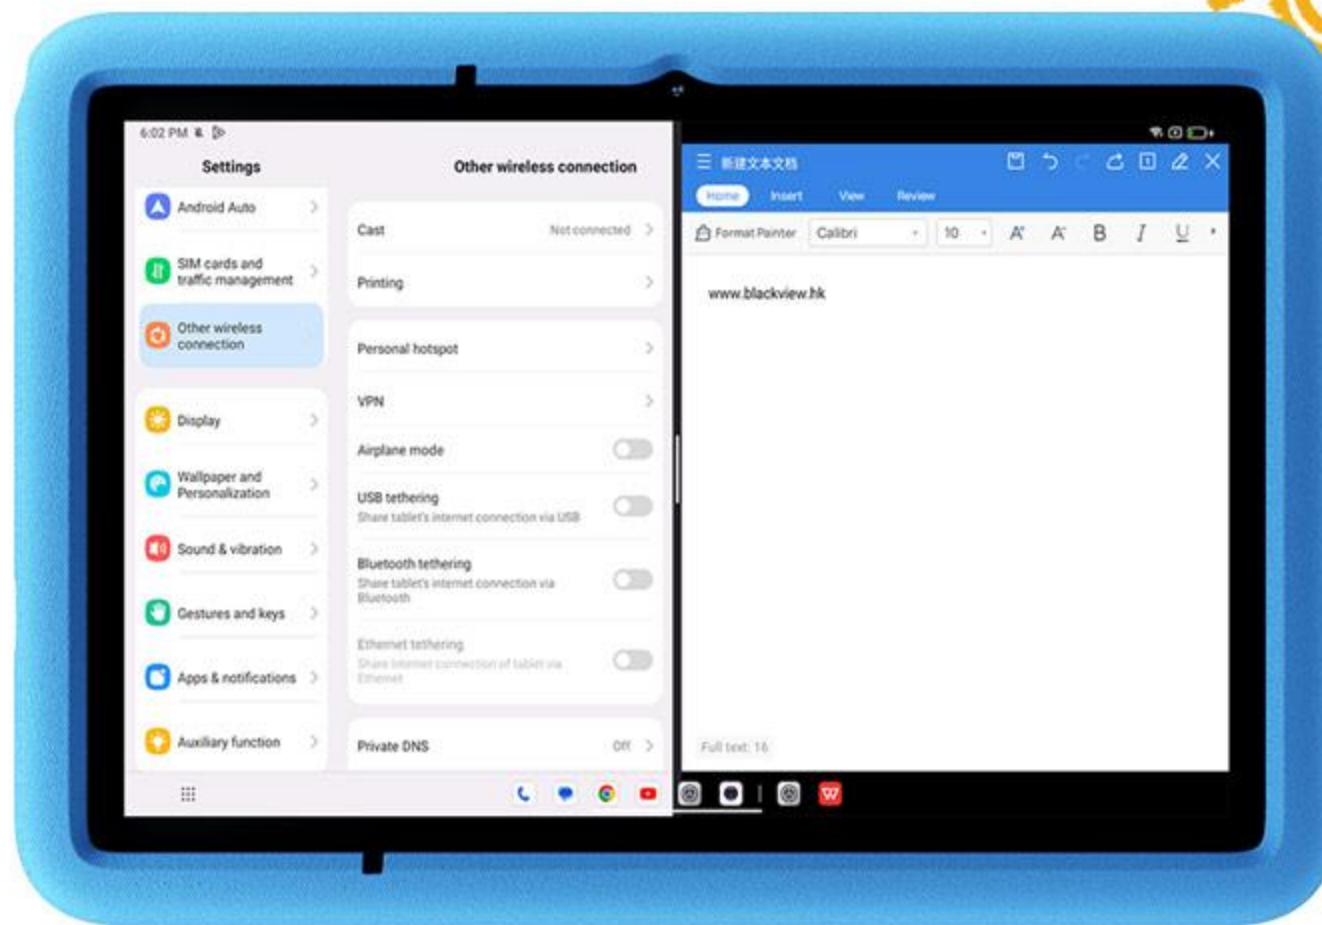

Multi-Tasking Made Easy

### PC Mode 2.0

PC Mode 2.0 on Tab 60 Pro Kids offers a laptop-like experience with multi-window display and pin-on-top functionality, helping kids focus on homework, watch videos, or switch tasks efficiently.

One Screen, Double Productivity

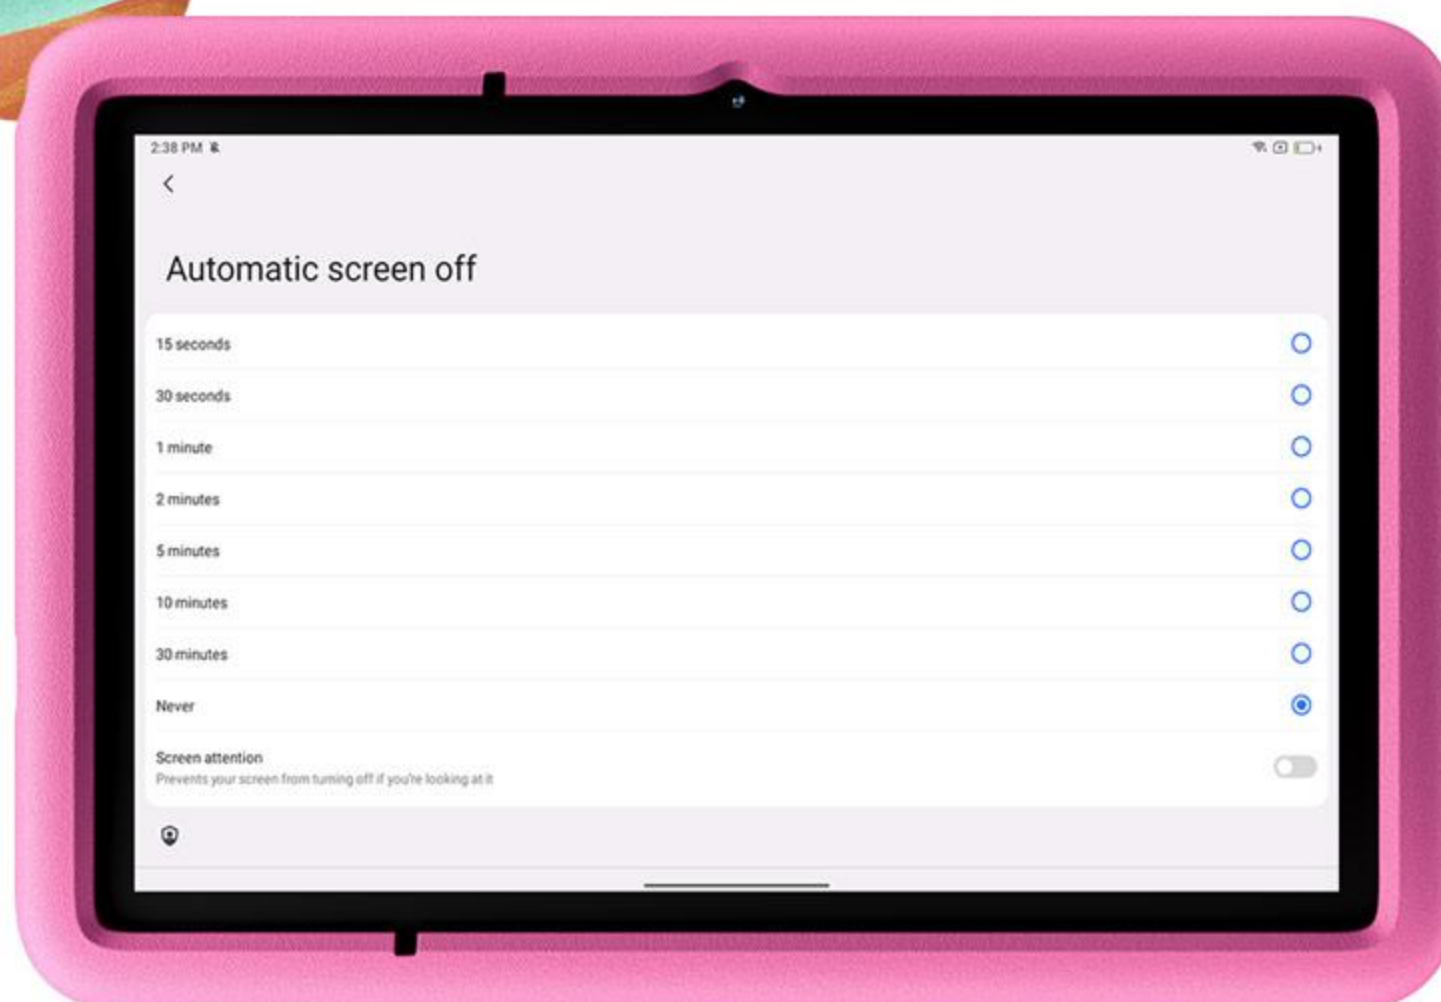

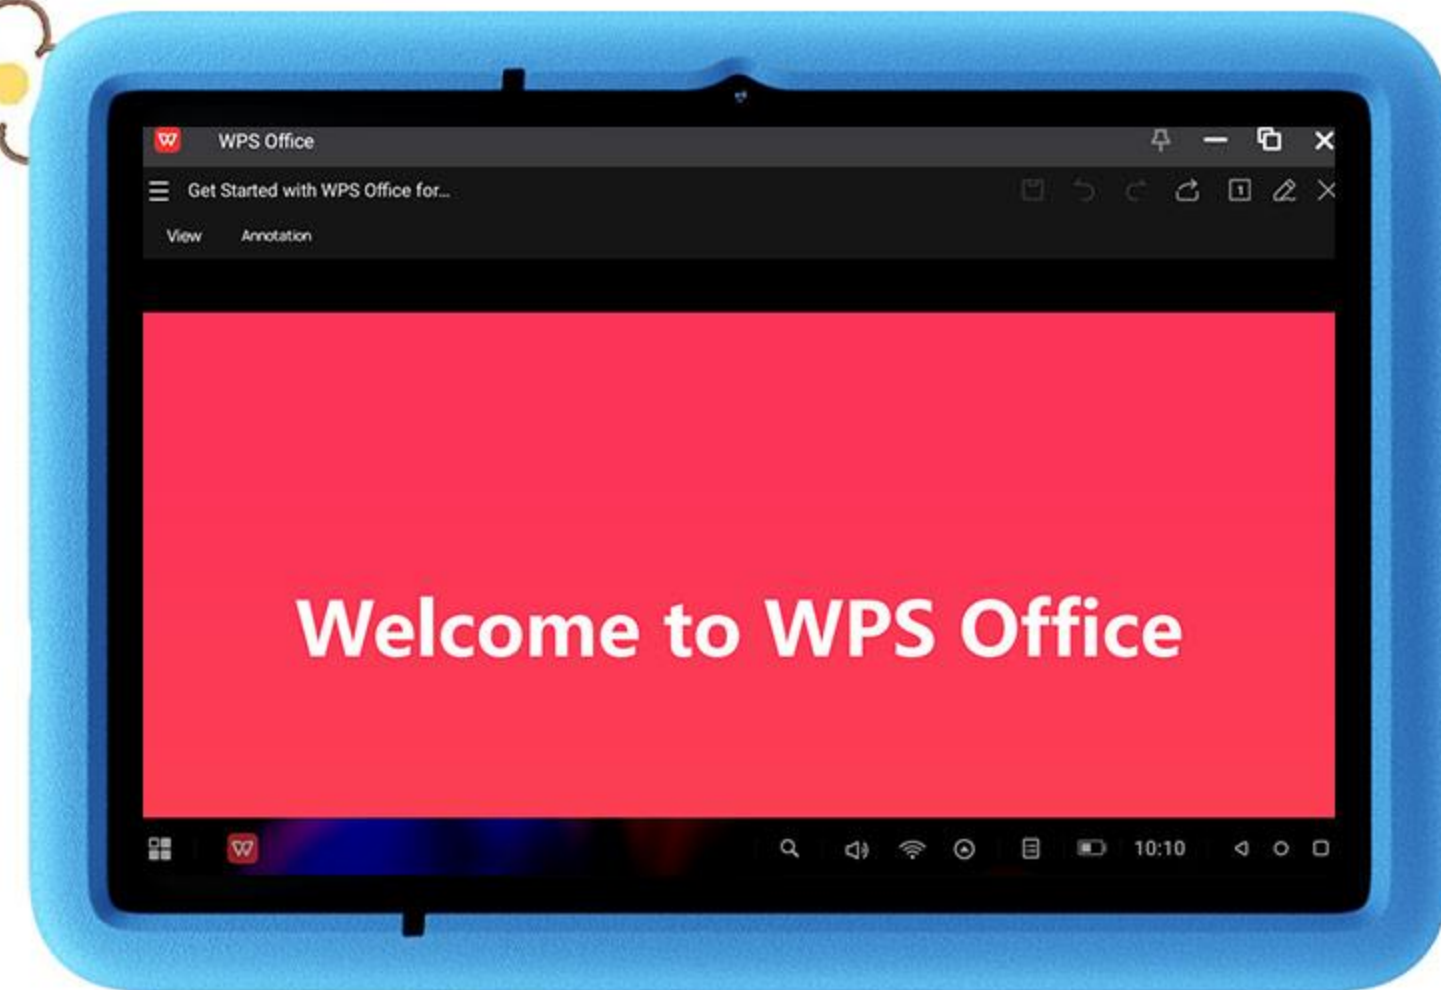

## Split View with Smart App Pairing

Kids can work on homework while watching educational videos, play games while chatting with friends, or explore two apps side-by-side—all on a single screen. It's the perfect way to make learning and playtime more efficient and enjoyable!

Power Up, Creativity Ready

## Pre-installed WPS Suite

Whether it's writing stories, creating school projects, or planning activities, WPS helps kids develop essential digital skills in a fun and engaging way. No setup required—just activate and start exploring!

Eyes On, Screen On

## Screen Attention

Your screen stays on as long as you're looking at it. No need to worry about interruptions during critical tasks or while enjoying your favorite show.

More Apps, Less lag

## Atomized Memory 2.0

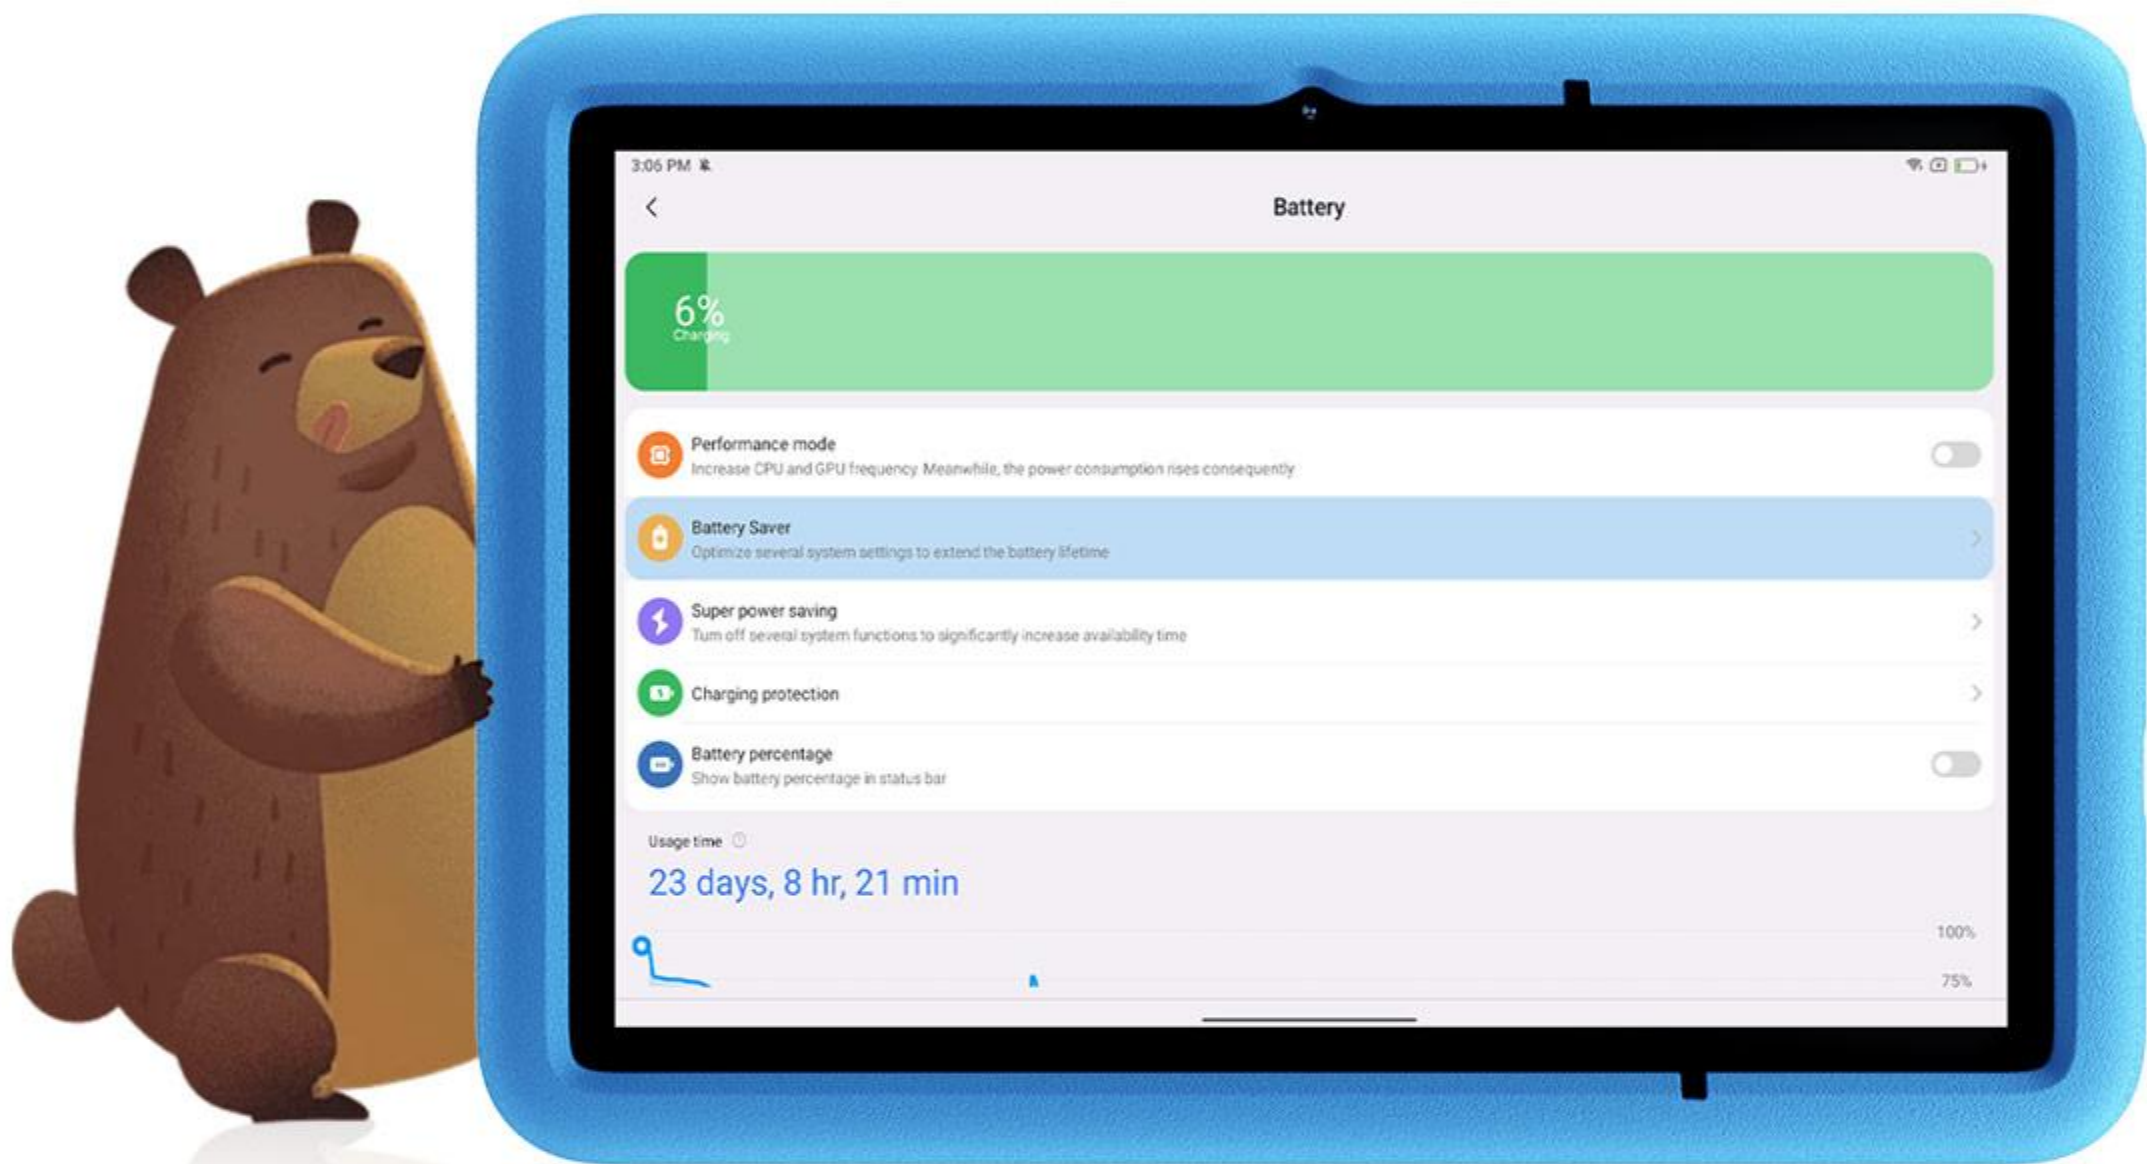

Worried about insufficient RAM resulting in slowdowns? This can be a thing of the past thanks to the Atomized Memory 2.0. By intelligently allocating RAM, it can help free up to 9% additional capacity for running more background apps or tasks so as to boost the performance of your device.

Optimized Power, Longer Battery Life

## Focus Computing

The Focus Computing feature on Tab 60 Pro Kids lets young users switch between performance and battery-saving modes, smartly balancing app performance and power efficiency for longer play and reading.

Launch Your Apps Instantly

## F2FS & EROFS

With the power of F2FS and EROFS, they can boost application startup by 25% and reduce app load times by an impressive 20% to 300%, ensuring quicker access and smoother operation across your device.

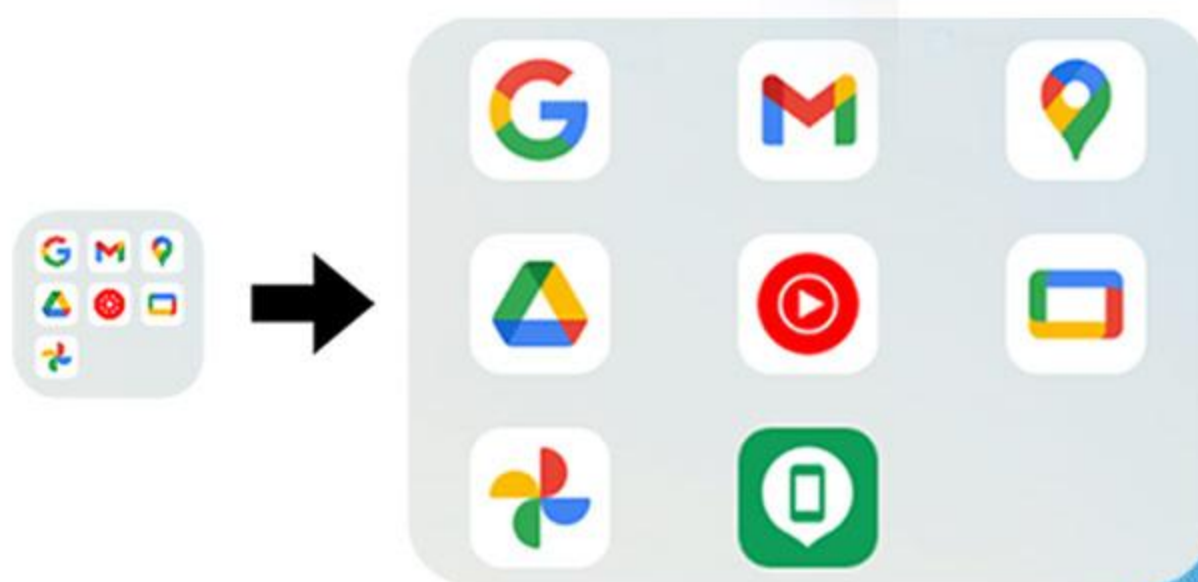

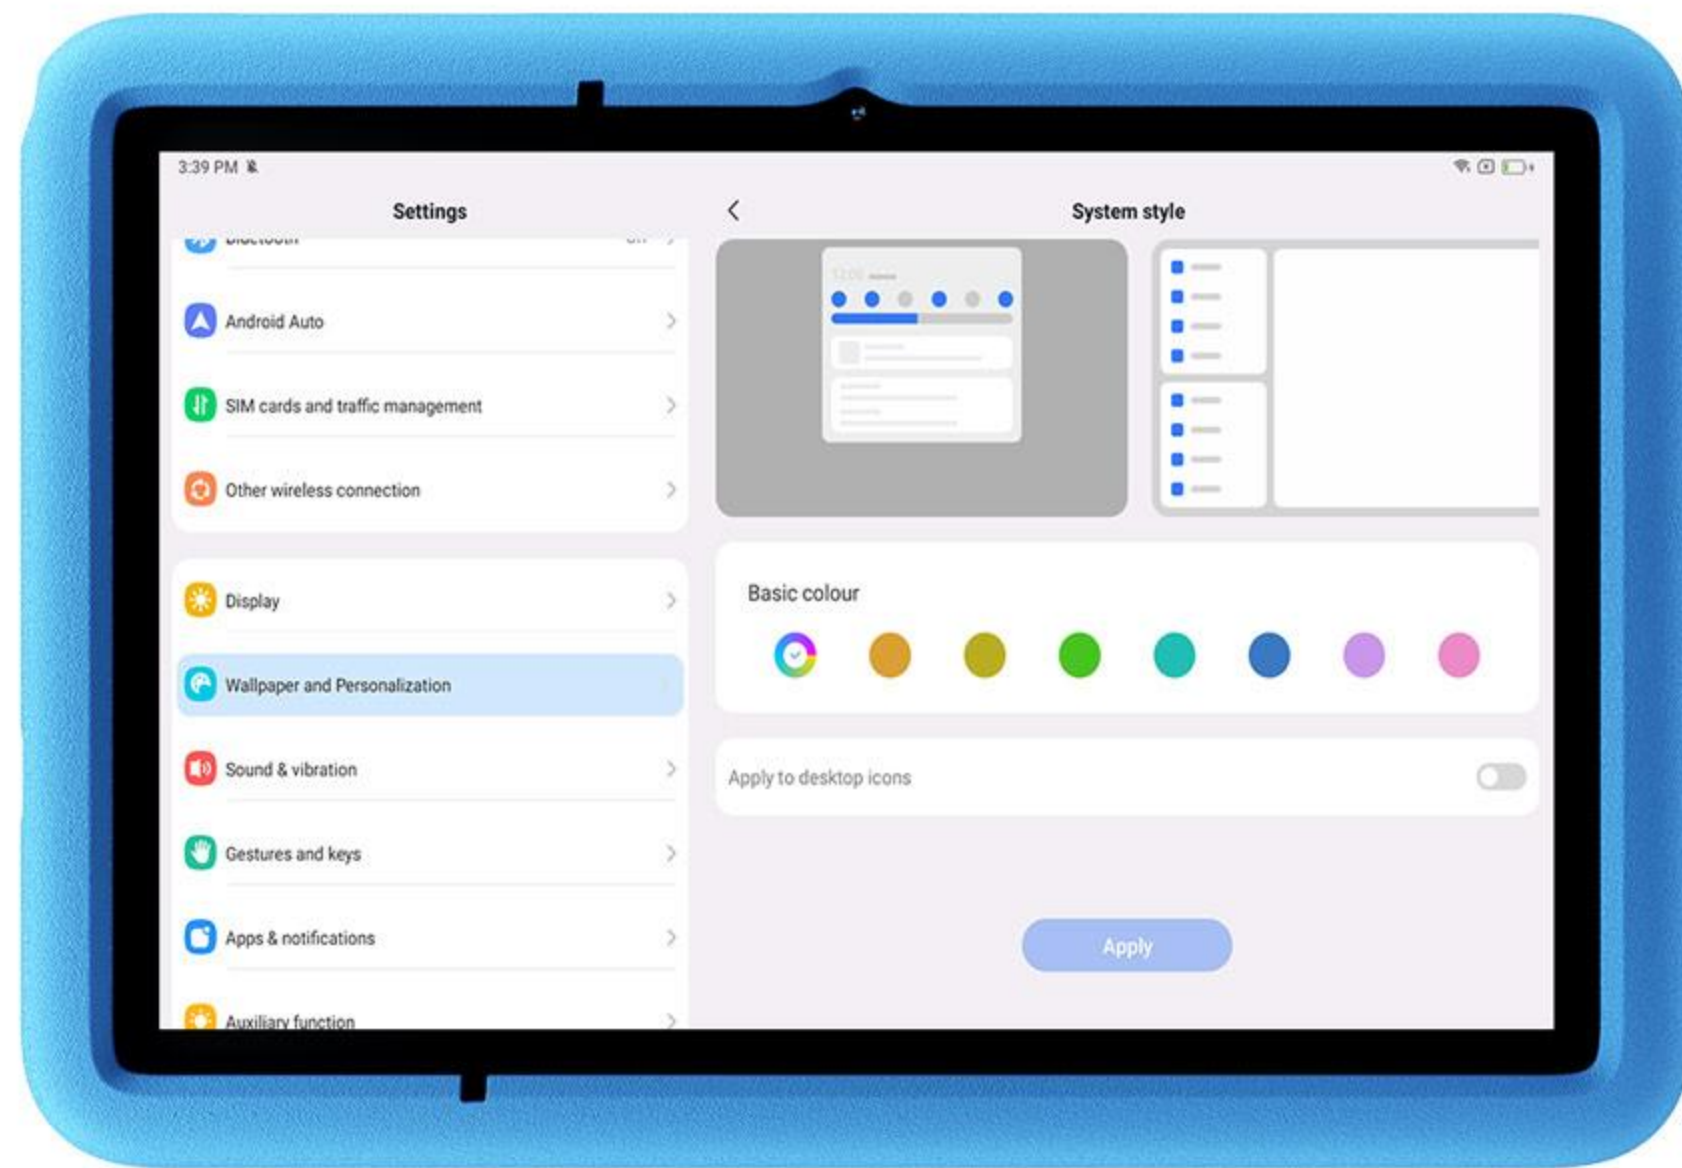

Your Preference, Your Style

## Full-set of Theme

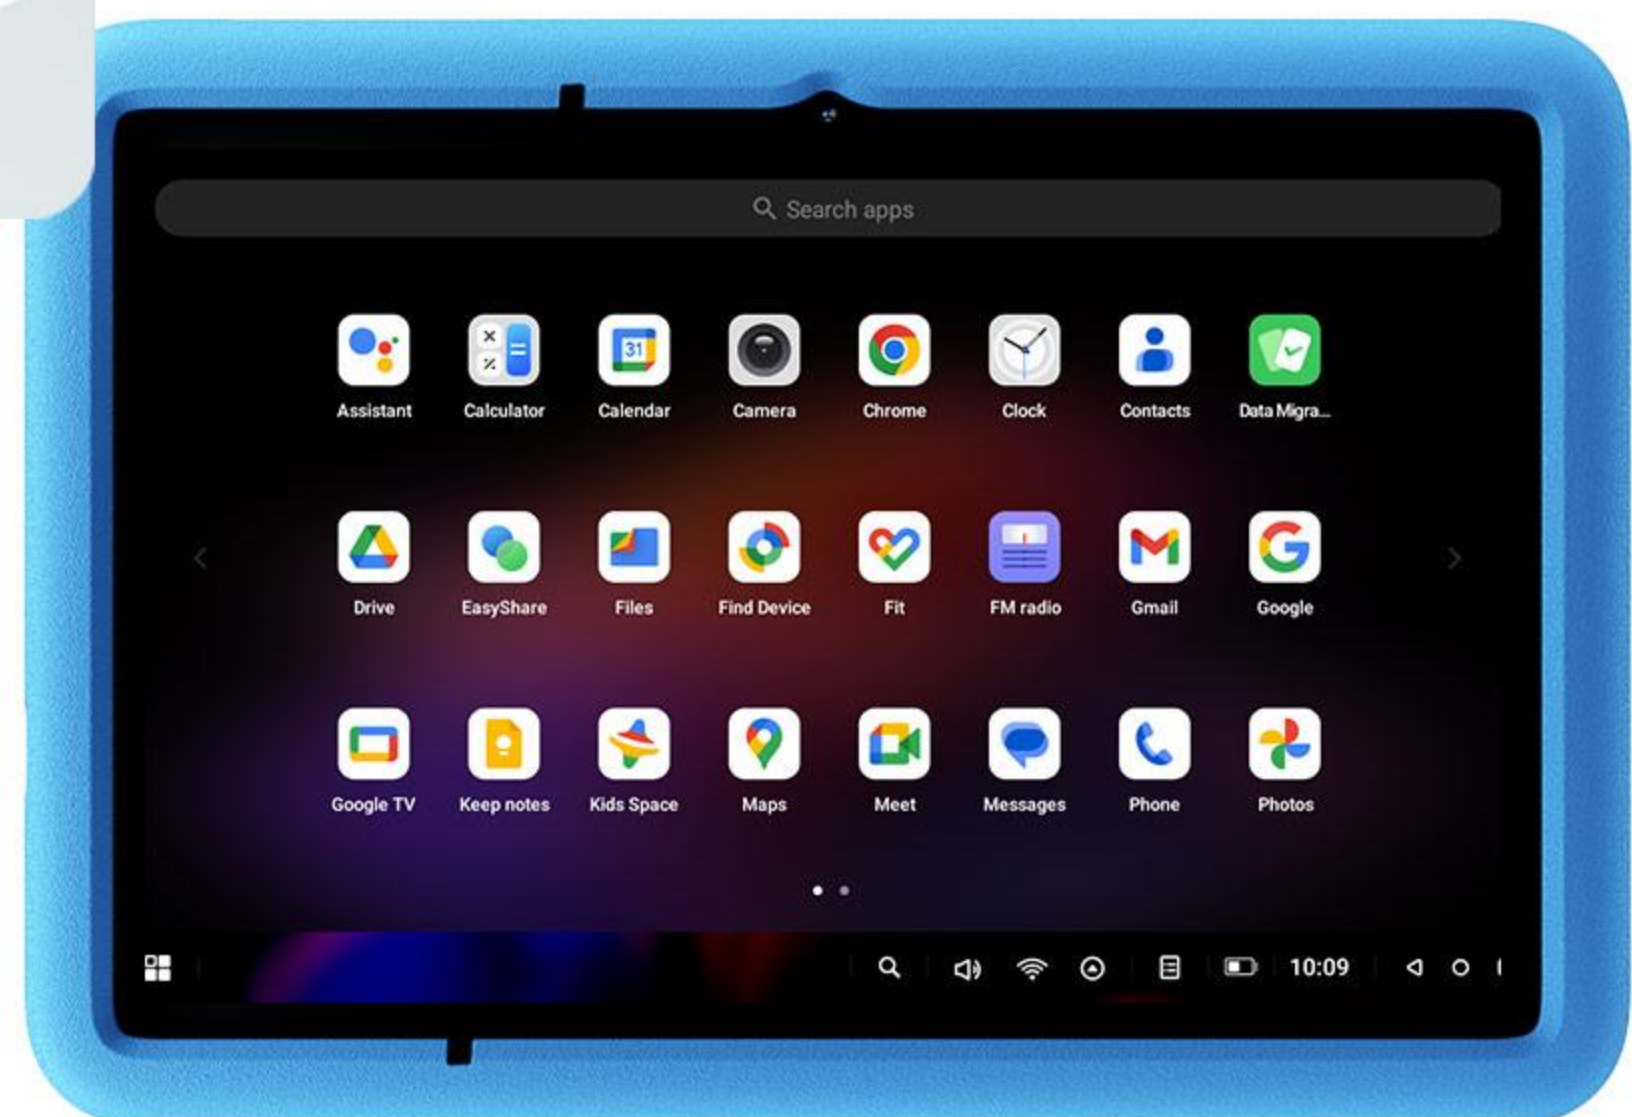

Decorate your desktop the way your kids prefer and make navigation a breeze. With a full set of themes, customize the look to match their style and let them enjoy a personalized, smooth experience every time.

Bigger, Neater, Quicker

## Larger Folders

You can neatly arrange all your favorite apps or files into large or small folders on your home screen, making your desktop organized, access quicker and navigation smoother.

Customizable Timer

## Stay Organized with Every Task

Enhance your time management skills by customizing timers for your daily tasks, such as a 2-minute tooth-brushing session or a 30-minute exercise routine. Simply set it up once and begin your countdown with just a single click.
